### Covid 19 Safety Update

I am pleased to let you know that we had another successful week with high attendance from both pupils and staff. Thankyou to everyone for your vigilance and for following all the safety and hygiene measures in place.

So that Parents can safely discuss their child's progress with teachers the calendared Parents' Afternoons will be altered as follows:

- Year 10 Parents' Afternoon 3 December - postponed until 17 December.
- Year 7 and Year 9 Parents Afternoon 10 December - postponed until 17 December.
- Year 7, Year 9 and Year 10 Parents' meetings will now take place online using Microsoft Teams on Thursday 17 December between 8.30 am and 4.30pm. Appointments will be arranged nearer the time.

Therefore, the last day of attendance for pupils in school will be Wednesday 16 December. Pupils will return after the Christmas Holidays on Wednesday 6 January 2021.

### Balancing screen time

#### How are children using screens?

Smartphones are central to a teen's daily routine, if not integral to it. Whether it's sending something on Snapchat to keep a streak going as soon as they wake up, getting up to speed on news on Twitter or live streaming thoughts about their day on social media, it can be hard to keep teens away from screens.

To support our children, it's more about equipping them with the tools to self-regulate their own screen time and be critical about how it is impacting their well-being.

Benefits are: screen use provides a range of opportunities for creativity and learning, gives pupils access to a wealth of information, however, the challenges are: peer pressure to stay online, constant use of devices, increases in interactions online and long period of watching monotonous videos online.

Parents: please speak regularly with your children to ensure screen use is a benefit not a challenge!
