Mission Statement: 'To educate each and every unique child in our care to hear and respond to what God calls them to be'

Prayer

Dear Lord,

Today we remember the earthly mother of Jesus and thank you for her example of great faith and trust in you. Let our response to impossible situations be like Mary's, inquisitive, but not doubtful of what our great God is capable of. Lord, help us take hold of the same hopeful faith that Mary had.

Amen

Message from Mr Jones

Chair of Governors

'In the bleak midwinter.....

And it really is!

As I write we are all still in Tier 3 and likely to remain there for the foreseeable future. Yet while the COVID-19 transmission rate has been alarmingly high for most of the term in Birmingham, Miss Marston and the staff at Saint John Wall have worked miracles to make sure your children have been able to attend school and to be looked after safely. We owe her and them a massive debt of gratitude.

Although I've only physically managed to visit the school twice in the past few months I know from regularly attending meetings on-line, reading e-mails and looking at our excellent website they've all performed heroically. Not only maintaining excellent standards of hygiene but also in ensuring essential learning has continued.

Much credit is also due to your children for the co-operation, goodwill and common sense they have shown during what must have been for them the strangest of times. Many thanks to you also for supporting the school throughout.

You can be assured that after the holiday Miss Marston, supported by her wonderful team, will carry on their good work so your children continue to enjoy a first-class education.

Despite these very challenging circumstances I, on behalf of all Saint John Wall governors, wish you and your families a peaceful and safe Christmas. Please continue to take care of yourselves and each other.

I'll end with the hope the Christmas message always brings:

*In the bleak midwinter a stable-place sufficed.
The Lord God Almighty – Jesus Christ.*

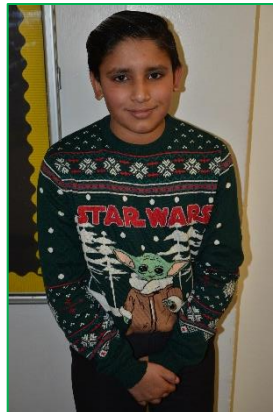

Saint John Wall, pray for us.

Martin Jones, Chair of Governors

Year 11 Wellbeing - Chapel Time

During this half term Year 11 have been given an opportunity to attend the Chapel during lunch time on a Monday.

'Chapel time' is a safe space, where we drink hot chocolate, eat biscuits and play games! It is an opportunity for pupils to have some time to chat and get support from myself and Mrs Ellis.

I particularly enjoyed playing pin the nose on Mr John!

By Mrs Crooks

Comments from pupils:

"I feel really welcomed on a Monday when I go to the chapel."

By Ehsan Mohammed

"It's such a relaxing environment in the Chapel, I really enjoy the conversation." **By Shantae Mendy**

"I find the activities in the Chapel are fun, I really enjoyed the games and the quiz." **By Taliah McDonald**

House Celebration

John Paul House enjoyed spending Period 3 in the Hall as a celebration for finishing top last academic year. They were treated with pizza, popcorn and the Christmas film 'Home Alone'. Although the academic year was cut short last year they still finished top overall via competitions including: Spelling Bee, House Emblem, Black History Month Celebration and receiving the highest amount of class chart points.

Well Done, John Paul!

I look forward to seeing who the house winner will be for the academic year 2020/21.

House Competitions

Year 7 & 8 Nativity Sets

Huge thank you to form tutors and pupils who were involved in producing a Nativity Scene for the Christmas term competition. It was extremely difficult to judge these due to such a high standard.

The results are as follows:

Year 7

1st = 7BRK, 2nd = 7RES, 3rd = 7FLI, 4th = 7FOX, 5th = 7CUG

Year 8 =

1st = 8JON, 2nd = 8WIO, 3rd = 8RAT, 4th = 8JOS, 5th = 8JAN

House Competitions

Year 9 & 10 Christmas Cards

Massive thank you to form tutors and pupils for completing the Saint John Wall Christmas Card this year. Again, this was a difficult decision to make but the winning forms this year were:

Year 9 = PAR

Year 10 = FOD

House Competitions

Core PE

This year we have tried to include Core PE from the sports taught this term and turn this into an inter-house competition, these included; football, badminton and fitness. The participation and engagement were superb as pupils collected points for their houses based on a ranking system

The results are as follows:

Luther King – 420

Pankhurst – 430

Mandela – 490

John Paul – 520

Gandhi - 560

For next terms competitions, please see the house board opposite the pastoral office.

Covid Restrictions Reminder

The government is changing some social contact restrictions for a short period of time. When following these new rules, we must each continue to take personal responsibility to limit the spread of the virus and protect our loved ones, particularly if they are vulnerable.

Between 23 and 27 December:

- you can form an exclusive 'Christmas bubble' composed of people from no more than three households.
- you can only be in one Christmas bubble.
- you cannot change your Christmas bubble.
- you can travel between tiers and UK nations for the purposes of meeting your Christmas bubble.
- you can only meet your Christmas bubble in private homes or in your garden, places of worship, or public outdoor spaces.
- you can continue to meet people who are not in your Christmas bubble outside your home according to the rules in the tier you are meeting in.
- if you form a Christmas bubble, you should not meet socially with friends and family that you do not live with in your home or garden unless they are part of your Christmas bubble.

You should travel to meet those in your Christmas bubble and return home between the 23 and 27 December. Anyone travelling to or from Northern Ireland may travel on the 22 and 28 December.

Stay Safe!

Parents' Day

Parents' Day is on Thursday 17 December from 9am. All pupils in Year 7 have been asked to make appointments with their class teachers in readiness for the day. Any pupil whose parent cannot attend will need to do so in their place. This will be a good opportunity to see how pupils have settled back in to school life as well as get feedback on attitude to learning, behaviour and assessment results. All meetings will take place on Microsoft Teams and will last for approximately 5 minutes. All pupils have been briefed in school on how to access the meetings and have also gone home with a flyer.

Uniform

Please check the website to familiarise yourselves with our School Uniform expectations over the Christmas break. Should you need to update your uniform (knee length skirt, trousers touching the shoe etc.) please do this over the holiday period ready for January. There will be a Uniform Focus Week in the New Year. Do not be caught out!

Saints League

We had a fabulous time celebrating our Saints League Winners in Collective Worship last week. Pupils were given prizes and certificates for the following:

Pupil of the Term Award

Saint John Wall School Values Awards
Friendship Ambassador Awards
100% Positives on Classcharts Awards

Pupils were then given their final awards in Bronze, Silver or Gold which reflect their grades, attitude to learning, behaviour, attendance and punctuality. Well done to all our super saints!

Autumn Term SJW Values: Generous and Grateful

YEAR 8

Mr Hussain

Collective Worship – Saints League

To celebrate all our pupils' achievements and hard work since September, we had a faith-filled and generous Saint's League Collective Worship.

We lit our second purple candle on our Advent Wreath and pupils heard Mark 1: The beginning of the good news about Jesus the Messiah, the Son of God, as it is written in Isaiah the prophet: "I will send my messenger ahead of you, who will prepare your way. A voice of one calling in the wilderness, 'Prepare the way for the Lord, make straight paths for him.'"

All our pupils were active and curious and were proud of each other and please see below some of our awards categories:

- Saints League – bronze, silver and gold
- 100% pupil attendance
- Class Charts awards
- Form teacher award
- HOY award
- Friendship ambassadors

Uniform and warmer clothing

Our school uniform is clearly defined and all our pupils are expected to wear it correctly and with pride. Please be aware, any pupil not in correct uniform will be withdrawn from lessons until the matter is rectified.

Please remember that nose studs and other jewellery apart from 1 pair of small stud earrings will be confiscated. Equally, hooded jackets should not be worn to school. Teaching staff reserve the right to confiscate mobile phones for a period of 5 days for inappropriate usage.

As we are in winter all our pupils need to be travelling to school in warmer clothing, in order to keep healthy and warm, which will help our pupils to remain focused and ready for learning. All pupils should be coming to school in a winter coat, which must be plain in design and our school blazer must be worn underneath. We would also like to remind you again; our safety associates are selling ponchos for only £1.

As we reach the end of this year and school term, I can proudly say our year group have shown great resilience and played a part in maintaining our strong school values. We have contributed in extracurricular activities and during form time created our nativity sets, which are all impressive.

During the Christmas holiday please keep safe and follow the local guidelines and this will help you in returning to school in the new year refreshed.

Seasonal greetings.

YEAR 9

Miss Reynolds

Late focus week

During the week of 30th November we had 'Late focus week' where we reminded pupils of the importance of being on time to school. Almost all pupils were able to get to school on time and those who did not were given an opportunity to reflect on why being late affects their education. We will be looking to do a late focus week again as a reminder to pupils that they should be on time to school every day.

Road safety

As the nights become darker and pupils may now be traveling home in the dark please ensure they have some clothes that can be seen when crossing the road, or reflective strips on them. It is important that all our pupils are safe when traveling to school either by car, bus or walking!

Uniform

At Saint John Wall we have high expectations of our pupils and this starts with uniform. It is important all pupils have the correct uniform, including P.E kit, when coming to school. We understand it is a difficult time at the moment but still expect all pupils to be in the required uniform. For more information on this please go to our school website. We have some uniform that pupils may borrow for those one-off occasions where they forget/lose/ damage their own, but this is only a loan and will need to be returned to the school uniform room at the end of each day.

Year 9 Saints League

The Year 9 saints league collective worship was a fantastic opportunity for the year group to celebrate the fantastic achievements over the first term of them starting GCSE and BTEC subjects. There were 10 special awards given out, 5 of which were nominated by form tutors for pupil of the term and 5 for those noticed for demonstrating the termly values of Generous and Grateful.

YEAR 10

Miss Moyo

Hello Year 10, I am extremely proud of all you have accomplished this term, it was an absolute pleasure to celebrate your accomplishments during our Celebratory Collective Worship. A special well done to Roop Kaur for winning the Christmas Card competition, Saul Savasita for earning the most positive class charts points in the year group and those of you who earned yourselves outstanding assessment results in your recent examinations.

As we head into the new year, please reflect on some of the ideas you have been considering during the time allotted to Passport to Life in form. Remember that every journey begins with one step - are there any small changes that you could make over the holiday that will lead to a future that you are proud of? It could be as simple as a dietary change. Remember to write your goals down too as they will then begin to feel more attainable.

Stay safe over the Christmas break - remember what we learnt this term about safety and appropriate use of fireworks. If you are going out, wrap up warm and remember to follow government guidance. You should be wearing face masks in shops and all public transport.

A scripture to ruminate on:

Psalm 34:7-9 The angel of the Lord encamps around those who fear him, and he delivers them. 8 Taste and see that the Lord is good; blessed is the one who takes refuge in him. 9 Fear the Lord, you his holy people, for those who fear him lack nothing.

Have a wonderful Christmas and New Year.

Revision Tip:

At the start of your revision session, before you begin to read any notes or revision guides, get a blank piece of paper and jot down everything that you remember about the topic you are about to study. You may be pleasantly surprised by how much you remember.

Then, use a different coloured pen to add to the notes you made on that originally blank page as you begin to read your revision guide or watch your study video. If you begin in the same way the next time you revise that topic, you will be able to look back at the page you filled in during the previous session and judge how much you remembered. In your new study session, on your blank page you should have jotted down information that was previously written in both colours. If this isn't the case, it could mean that you need to change your study technique so that you retain new information better.

YEAR 11

Mrs Chand

Mock 2 starts on 24 February 2021

Message from Mrs Chand

As we break up for the Christmas holiday I want to remind parents of important dates to remember. Pupils will be breaking up for the holidays on the 16th December and will return to school on 6th January 2021.

If any Year 11 pupils are isolating they need to continue their education on Microsoft Teams so they will not miss any lessons whilst they are at home. This is vital as pupils will be preparing for Mock 2 exams. Year 11 will need to continue to wear masks around school and social distance during lesson changeovers to ensure maximum safety. They also need to continue to sanitise when entering and exiting classrooms.

I want to remind everyone that Year 11 are role models to the rest of the pupils at our school. We need to remember how we communicate with staff and how we behave around the school and we need to show others excellent behaviour at all times.

Would parents ensure that your child is attending school every day and on time, as you are aware Year 11s only have a few months remaining before their GCSE examinations begin. It is vitally important that Year 11s use this remaining time to improve their chances on achieving the best possible grades.

Wishing you all a happy Christmas. Stay safe and look after each other.

Careers

Pupils need to be completing applications for their choices for further education. We have recently had BMet College and Sandwell and St Michaels Sixth to deliver Collective worship for the Year 11s to get an idea of what they should be doing when deciding on courses. Please support pupils to research what they would like to do and help them when completing applications. It is important that these choices be made sooner rather than later as deadlines are looming. There are many virtual open days for colleges, and we will always endeavour to share this information via emails or during Collective Worship.

Revision Tips/Examination Preparation

Make your revision meaningful by using the steps below:

1. What are your five weaknesses or gaps?
2. What are you going to do? Where will you look? (revision strategy)
3. At home- transform this into pictures/reduce the words/create a flashcard etc.
4. Write 5 questions your teacher or friend can ask you at the start of next lesson to check your new knowledge.

Remote Learning and Masterclass

At Saint John Wall we are delighted with the success of our Remote Masterclass programme and would like to thank all pupils and parents for their support in the implementation of remote learning from home.

We are pleased to announce that all Year 7-10 pupils have received a Remote Learning exercise book. Please encourage your child to use it for all their remote lessons, including development homework, throughout the year. It is useful for all subjects across the curriculum; it includes lined, blank, and squared pages to enable them to use it for literacy, numeracy, and practical activities.

From next term we will be launching our Remote Masterclass Heroes (Watch the space for more information).
