

Saint John Wall Catholic School

A Catholic School For All

Mission Statement

'To educate each and every unique child in our care to hear and respond to what God calls them to be'

Issue 4

Weekly Information Bulletin

Date: Friday 1 October 2021

Catholic Life - This year's theme is based on the Parable of the Sower (Matthew 13)

Termly theme: Excellence (hard soil)

Termly SJW values - Attentive and Discerning

Dear Lord, provide me with the strength to focus on things I can change, to manifest my dreams, and help me to develop faith in myself to become the best version of me. Amen

Virtual Open Evening – Please visit our website and look at the videos to find out more about our Catholic Life and Curriculum at Saint John Wall Catholic School. [Click here to view the videos.](#)

School Tours – Parents of Year 6 pupils are invited to visit our school for a tour. Please ring the school to book a tour.

Catholic Life

'Others fell on rich soil and produced their crop, some a hundredfold, some sixty, some thirty. Listen, anyone who has ears!'

Matthew 13:8-9

Our theme for this year is focusing on the Parable of the Sower, one of Jesus' most well known parables. Each term we will focus on a different section of the parable to encourage our pupils to think about how they can apply it to their daily life. We will also be linking this to EAR and our SJW Values.

Autumn Term – Excellence (hard soil) - Attentive and Discerning

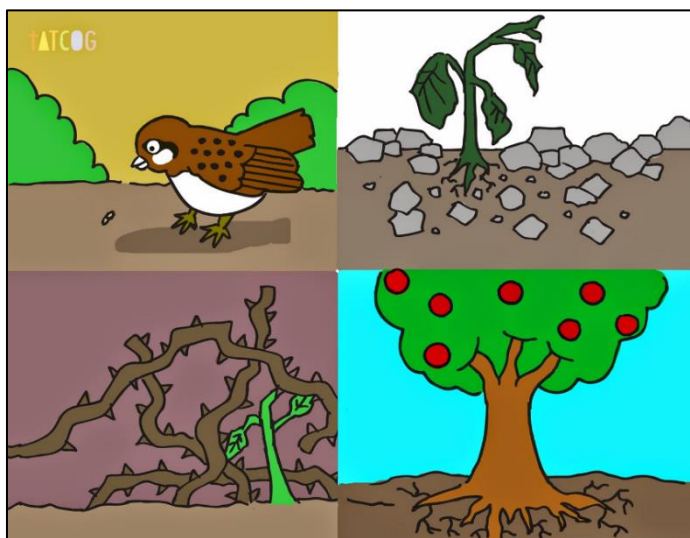

Spring Term – Achievement (rocky soil) – Learned and Wise

Summer Term – Respect (thorny soil) – Compassionate and Loving

As you can see, this term we are focusing on **'Excellence'** and the **'hard soil'**. We want pupils to focus on being the best they can be and listening carefully to what God is calling them to be. The birds on the hard soil in the parable, represent the times where we do not listen to God or others. God speaks to us but our ears and minds are sometimes closed to listening.

We are asking our pupils to be **attentive and discerning** this term. Attentive: paying close attention. Discerning: showing good judgement. This will help them to hear and respond to what God is calling them to be.

By Mr Lloyd-Price

Important Dates to Note

- **Year 10 Assessment Week**
Monday 11 October – Friday 15 October
- **Covid contingency planning: Remote learning preparation afternoon.** School closes at 12.30 for Year 8, 9, 10 and 11 pupils. They should go home and access lesson 4 on Teams. There are separate arrangements for Year 7 pupils. Year 7 parents will be invited in to school to learn about using Teams and remote learning. More details to follow.
Wednesday 20 October
- **Cultural Heritage Day** – wear a traditional outfit or an item of traditional clothing that represents your culture.
Thursday 21 October
- **INSET Day** – School closed to pupils. Pupils should access form time via Teams as part of our covid contingency planning checks.
Friday 22 October
- **Half Term**
Friday 21 October (after form time on teams) – Friday 29 October
- **Year 11 Mock 1 Examinations**
Monday 1 November – Friday 5 November

Parents' Evenings and Afternoons

- **Year 11 Parents' Evening & targeted Year 10 pupils** - Thursday 18 November 2021- 4.00pm – 6.00pm
- **Year 7 & Year 9 Parents' Afternoon & targeted Year 8 pupils** - Wednesday 15 December 2021 - 1.00pm – 4.00pm

Parent Governor Vacancy

Do you want to support the school's Governors to continue raising standards at Saint John Wall?
Do you want to contribute to the school's strategic vision and aims?
Do you want to help monitor the school's progress with providing the best education for all pupils who attend?

Are you able to volunteer 2 hours per term?
Are you a good listener?
Are you good at asking challenging questions about the school's aims?
Are you able to think about how the school provides education to all pupils?

If you can answer yes to some of the questions above, and would like to find out more, please contact Miss Marston using the enquiry@sjw.bham.sch.uk email address.

The deadline for parents to indicate an interest is Wednesday 13 October 2021.

Elections will take place if there are more than two suitable interested parents.

Head of Year Messages

Head of Year 11 Messages

Hello Year 11, it has been a challenging start to your final year! So far, I have really enjoyed getting to know you all and working with you and helping you through your final year at Saint John Wall. I am also pleased that we have announced our Prefect team. Next week there will be some exciting developments, we will be planning your duty points, planning reading sessions with you and a younger pupil, and finally we will be planning and raising money for our Prom!! If you have any ideas about how we can raise money, you can email me or pop into the Year 11 office. Those of you who were unfortunately not selected or didn't apply you can still send through any suggestions.

By Miss Fox-Roberts

Good afternoon, I am excited about what this year will bring you for you as a year group! I am optimistic that collectively you can achieve great things. However, in order for anything great to happen on your educational journey, there need to be some sacrifices made. You have been issued with your examination booklets and I trust that you are making every effort to complete the homework set by your teachers to the best of your ability. These booklets will put you in a great position leading up to Mock 1 to achieve great results and give you the confidence to keep on progressing. The roadmap of this year is in your forms for you to have a look at, which I would advise you to periodically check so you can be proactive throughout the year, methodically planning your next steps. Please make use of T2 as some of you already have, as this room has been made available for you exclusively for the purposes of revision and study. I am confident that providing you put in the work, the future will be bright. If there is anything you need, do not hesitate to come to the office and seek assistance and I will be happy to help in whatever way I can.

By Mr Brooks

Head of Year 9 Message

You have made a good start to the new academic year, and it has been nice to speak with you on our playground and in your lessons. We still must remain vigilant and act in a sensible way to keep everyone safe and I can proudly say you are attentive in following guidelines and rules. Please continue to follow and adjust to our school procedures as we enter the autumn period, and we can pass this period together, if we all play our part.

Please always continue to be in full school uniform, and have appropriate outdoor coats, and have all your equipment with you for lessons. Overall, I am satisfied, but I believe we can improve in our outdoor behaviour and going to lessons promptly.

I look forward to our work in October, including for Black History Month.

By Mr Hussain

Head of Year 8 Message

Great work and dedication by Year 8 this term! This can be shown in the many, many positives they are receiving for various reasons and in many lessons. They have shown that they can be attentive and discerning in their studies. I am impressed at the level of maturity Year 8 have shown supporting our new Year 7 pupils around the school to help them get to their lessons.

A reminder for Year 8 as the weather is getting colder, please can you make sure pupils are wearing a comfortable winter coat to school especially with the level of rain we have been having. This week our focus has been Excellence this can be shown through many forms in our school for our pupils either through Saints League, Uniform and Attendance as well as how we can treat members of our community.

We will be starting Black History Month from Monday 4 October which will involve pupils taking part in many activities throughout the month. As we are a diverse school it is important to celebrate and recognise people from all walks of life who have made a difference.

If you are late for **1 minute** every day you attend school -

- Over **1 year** you miss **3 hours 12 minutes** of school time!
- Over **5 years** you miss **15 hours 48 minutes** of school time!

If you are late for **5 minutes** every day you attend school -

- Over **1 year** you miss **3 days 18 hours** worth of school time!
- Over **5 years** you miss **16 ½ days** worth of school time!

As always look after yourselves and stay safe.

Head of Year Messages

Head of Year 7 Message

We have had a great start to our new school year. I have been very impressed with the exemplary attitude and behaviour of our Year 7 pupils after what has been a very trying 18 months for everyone. It was wonderful to welcome so many parents for our Form Tutor meet and greets in September. I know that our Form Tutor team really appreciated meeting you all face to face and getting to know your child further. It is really important that we continue to keep our lines of communication open, so if you do need to speak to school about your child, please call the school office and we will arrange for a return call or book a meeting.

A date for your diary: Wednesday 20 October - Year 7 will have an early finish of 12.45pm in order to develop their skills on Microsoft Team's and home learning. More details will be coming to you via a letter and here on our school newsletter from next week.

Safety on the way to and from school.

Can I please remind pupils and parents the importance of keeping safe when coming to and from school. The roads around the school are very busy throughout the day. Please ensure that you have good visibility when crossing the road and have no distractions to hand such as mobile phones. If a pupil has not been collected by 3.15pm, they will be asked to go to the school Library to wait for a parent there.

Kooth.com is an online service provided for **FREE** by Birmingham City Council for pupils aged 11+ to encourage good mental health and wellbeing. Once logged in you will be able to access additional support, speak to people your own age and chat to counsellors about how you are feeling. It's good to talk! Please follow the link below and get registered:

www.kooth.com

Alton Castle are leading a retreat from Friday 5 November until Sunday 7 November for all pupils over the age of Year 5+ within the Birmingham Diocese. For more information please visit <https://www.kenelmouthtrust.org.uk/fearless.html>

As we approach our fifth week in school together I would like to set Year 7 a special challenge!

My goals for this week...

Can you meet the three goals below by the end of this half term? Let's try our best, and see Mrs Ellis if you manage to complete the challenges.

Goal number 1: Learn my timetable for the week

To help me achieve this, I will:

1. _____
2. _____
3. _____

Goal number 2: Learn the routes to take to get to each of my lessons

To help me achieve this, I will:

1. _____
2. _____
3. _____

Goal number 3: Complete a piece of development homework from the school website

To help me achieve this, I will:

1. _____
2. _____
3. _____

All pupils who complete the challenge will be entered into a prize draw held on the last week of the half term!

Head of Year 10 Message

It has been a varied start to the year. Some of you have shown how grown up you now are being in upper school and others have had not such a good start. Our theme this term is Excellence and we have had several Collective Worshipings on this and how we can incorporate it into your day-to-day workings at SJW.

I would like over the next few weeks for you to think about these collective worshipings and how you are going to make changes to your behaviour to ensure you are one of those who is Excellent.

I would like to say a big well done to those House Captains in Year 10 for giving up break times to sell cakes for the Coffee morning. Your time and efforts to ensure the rest of the school had enough cake as well as raising money has been noted and you conducted yourself in a very mature way.

I would also like to say thank you to everyone for ensuring their uniform is of the highest standard, as mentioned in collective worship, I think we are a year group leading the way on this. There are a few who need to remember to tuck their shirt in, but the majority are getting it right first time so well done.

Assessment week is creeping closer, and it has been lovely to see many of you in the Library at lunch getting in those extra study sessions, ensure you are giving yourself a rest, your brain will not process your learning if you are over working. Try to get that healthy balance between working hard and studying but also some down time too. Just remember your examination booklets for each of your lesson too, they are easy class chart points to pick up!

Finally, as you are now Year 10 you will need to be accessing more and more work especially if you are home isolating for covid19 reasons. Therefore, it is important for you to tell myself or your form tutor if you do not have access to a laptop or computer at home even if you were accessing lessons on teams using a phone, please let me know because as a school we want to make sure you can access the best quality of lessons and have the best equipment to complete your education!

I hope you have a fantastic weekend and remember to make the right choices and be excellent.

By Miss Reynolds

Wellbeing: Top Tips

Attendance

5

Top Tips

- **Keep healthy, eat lots of vegetables.**
- **Go to bed early and get lots of rest.**
- **Always wear a coat when it's cold or rainy so that you don't catch a cold.**
- **Wash your hands regularly so that you don't catch germs.**
- **Listen to your carer giver and take your medicine if you are not well to get better quickly.**

Book Reviews

Reading Club

The Nostradamus Prophecy

"I read a book called 'The Nostradamus Prophecy' and I would give it a rating of 9/10. The best thing about the book, in my opinion are the plot twists, which actually get you engaged in the reading. The book is about a 13 year old girl named Melisande who later in the story goes on a sort of 'adventure' to clear her family's name and to get her father out of prison. Overall, it's interesting, and you don't know how many times I screamed or squealed. Yes, I recommend it, especially to people who like history since it's based on facts about the past of 1560s France."

By Sarah Manu 8MCI

The World of Norm May Need Rebooting

"This book is a series of books, and it is about a person called Norm he has two brothers, grandad, mum and dad, his friend is called Mikey he is Mikey's friend from hen they were young. So, the story begins with norm, he likes watching professional bikers, he wants to be a mountain biker when he is older his bike is old so he plans to get a new one. He stays up all night to look at bikes but when he went to his history class he falls asleep because he spent all night looking at bikes so he was tired. He gets given a punishment exercise after he gets hit by a football and it was by someone called Conner, wait he is a football kind of person well anyway Norm gets hit then he scored a goal but it actually bounced off his head then in the goal but everyone believes he scored. Then his bike gets stolen, there is no insurance so the bike is gone and granddad helps him. He got another punishment exercise so he has 2 and his parents did not know, he had a punishment exercise so mum and dad went to parents' evening where they found out. He finds a way to find his bike because Norm knew someone who knows someone who might know something about the bike, at this point Norm hates football and is not good at it at all but Conner thinks he is really good but he is not but Norm's grandpa convinced him to play football... to be continued."

By Shoaib Ghalib 8RES

Oliver Twist

"We've been reading a book named 'Oliver Twist' it is about an orphan boy who lives in an orphanage. Our review about this book is that it is a very interesting book about the mid-19th century, it teaches us a lot about how other people lived in the Victorian era and how children were treated at that time. We loved how courageous Oliver Twist is when he asks for more food."

By Leah Badhan 10FOD, Robertina Nae 9WIO and Beatrice Tofei 10FOD

Year 7 and 8 pupils have joined the reading club during lunchtimes where they can read their Accelerated Reader books individually or in groups. Well done to everyone who has shown enthusiasm!

By Mr Mull

House News

MACMILLAN CANCER SUPPORT

This month has been a busy one for everyone here at Saint John Wall, getting settled back into school and hopefully a great year! My new House Captains and I have been busy having regular meetings about how to make the House System here as inclusive and as fun as possible.

On 24th September, we hosted our annual bake sale for Macmillan Cancer Support, a charity that raises money to support those battling with cancer. It was a great turn out and there were many cakes being sold, so many that we carried on raising money the following week!

I am delighted to announce that this year we have raised an amazing **£332.12!**

This is an amazing amount raised and will go a long way to support those who need it most. By raising over £203, we have been able to pay a Macmillan nurse for the day and £100 of this amount will also help fund a face to face benefits adviser which could help people affected claim money to support them through this difficult time.

I want to say a massive thank you to everyone who donated cakes before and on the day, to people who donated spare change and money towards this charity and of course to everyone who bought a cake across the two days. Without your support and generosity, we could not have raised this amount!

By Miss Cummings
(House Co-Ordinator)

Comments:

"During break and lunch time we were selling cakes to raise money for Macmillan Cancer Support. We did this for a good cause and to raise as much money as possible."

By Ivie Imadonmwinyi 10ESM

"We were raising funds for charity by selling cakes to pupils for a charity called Macmillan Cancer Support."

By Shea Fleming 10HAB

"It was a good day for charity and it really pleased me to see the eagerness of our peers to donate money by buying cakes."
