## A Catholic School For All

### Mission Statement

'To educate each and every unique child in our care to hear and respond to what God calls them to be'

Issue 1

Weekly Information Bulletin

Date: Friday 10 September 2021

### Catholic Life - Termly theme: Excellence (hard soil)

Hail Mary, Full of Grace, The Lord is with thee. Blessed art thou among women, and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners now, and at the hour of death.

Amen

#### Dear Parents and Carers,

It has been a pleasure to welcome all pupils back together this week in a covid safe environment. All pupils are now able to mix more than in previous months and school has felt much more like the great environment it used to be before the pandemic. We are of course following all the latest government covid guidelines which prioritise 4 key safety areas. These are:

1. Ensure good hygiene for everyone. Pupils continue to sanitise their hands when entering the site, and then regularly throughout the day. They also make use of the outdoor sinks at break and lunchtime. We are also promoting the 'catch it, bin it, kill it' message regarding coughing or sneezing into a tissue.
2. Maintain appropriate cleaning regimes. We have continued to employ safety associates who circulate the school site cleaning frequently touched surfaces. This is in addition to our usual cleaning rota.
3. Keep occupied spaces well ventilated. All classrooms have natural ventilation and teachers are ensuring spaces are well ventilated but still at a comfortable temperature for learning.
4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19. The school testing site has been available for on-site tests. Pupils and staff are encouraged to use the home testing kits twice a week throughout September. We also follow all guidelines regarding isolation of anybody with symptoms, or who tests positive.

Thankyou for your continued support in ensuring that all pupils attend school safely.

Whilst many of you were enjoying the summer break, school was busy. A number of site improvements were overseen by the Site and Business staff, and the school had a deep clean. Three fantastic summer schools took place and Year 11 pupils attended school on 12 August to collect their qualification grades. You can read more about summer school and results day later in this newsletter. A huge thankyou to the many staff who were involved in all the summer holiday events and school improvements.

I want to take this opportunity to introduce and welcome our new staff to the Saint John Wall Family. They are: Mr Barnes, Mrs Burrows, Miss Young, Mr Jasat and Mrs Hough. You can read about them later in this newsletter.

Finally, we have put in place a contingency plan for any future lockdowns or restrictions that may occur during this academic year. The contingency plan includes reverting to remote learning via Teams. There will be a remote learning preparation day calendared later this term so that we can ensure a smooth and effective transition for all pupils should the need arise.

Have a good weekend

## Head of Year Messages

### Head of Year 10 Message

Hello Year 10 and welcome back, I hope you had a restful summer holiday and were able to spend this with your family and friends safely. You have all now been taking your GCSE and BTEC lessons for a year and should now be well underway with gathering the evidence and soaking up the knowledge that will set you up for your future.

#### This year

During this school year I would like you all to really focus and continue with the positive attitude towards school and your education that we left with last year. You are all now more mature and hopefully even more focused on gaining the knowledge that will help with your qualifications. It would also be nice to see you participating across the school in wider activities such as clubs and house competitions - our year group now has House Captains and they will be sure to get you involved in the activities. Do your house proud!

#### The school day - for Year 10 ONLY - is as follows

School gates open- 08:20AM (*Breakfast available, Wash hands, Go to the playground near the Chapel and use toilets by English*)

**Form-** 08:50 - 09:15

**Lesson-** 1- 9:15 - 10:30

It is important that you follow the one-way system around school and ensure that you are using the allocated toilets at the correct times to ensure we are staying Covid-19 safe. Please ensure you are on time to school and leave the playground promptly when the bell rings - we do not want you to miss out on valuable lesson time!

#### Uniform

It is important that your school uniform is perfect. We are setting the professional standards that will be expected in many work places. It is a good habit to get into making sure you look smart and presentable.

With the changing weather and the unpredictability of the weather we would like you to be wearing your school shirts and blazers (jumpers optional). You can no longer wear your summer uniform (the blue polo) unless it is for your P.E lessons.

Your school shoes must be exactly that, not trainers - they must not have logos on them.

If you are in need of a school bag then please come and see one of the Heads of Year and we will be able to provide you with one.

I hope you all have a wonderful start to school and are well prepared for the year ahead. There are exciting times to come.

**By Miss Reynolds**

## Wellbeing: Top Tips

Have you ever wondered how to deal with mental health and anxiety?

Here are some top tips from the pastoral team to help you out!

3. Keep Active! 20 minutes of light activity a day is enough to boost your mood. The endorphins released will make you feel happy, sleep better and concentrate more.
4. Keep hydrated. Make sure that you are drinking water throughout your day. Bring in a reusable water bottle and refill it at break or lunch time. Keep fizzy pop/sugary drinks to a minimum and avoid caffeine.
5. Make a 'to do' list. Set yourself small goals to achieve each day to put you back in control. All the small wins matter and take you one step further than before.

1. Keep your bedroom tidy and clutter free. Walking into your room with your bed made and the floor free of clutter will boost your mood when you arrive home from a busy day at school.
2. Talk to others. If you don't quite feel yourself have a chat with a parent/carer/family member or our staff about it, don't keep it bottled in!

By Mrs Ellis

## Pupil Safety and Welfare

We want pupils to feel safe and secure here at Saint John Wall Catholic School. We will continue to raise awareness of the dangers of banned items and the consequences. Therefore, we shall be working with pupils to ensure that they are aware of any dangers and any risk to their life and others. To support this, we shall be spot checking pupils as well as using a metal detector in school as appropriate during the course of the year in line with our behaviour policy.

By Mrs Crooks

### BANNED ITEM - GEEKBAR

Geekbars are the new trend in vaping. These are aimed at young people with inviting colours and a range of flavours. They contain nicotine which is an addictive drug and harmful to health. People must be 18 years and over to purchase a GEEKBAR. Pupils found in possession of a GEEKBAR, any variation of a vape or e-cigarette or smoking paraphernalia will be excluded from school for a fixed period of time.

## Year 7 Summer School

Who am I? How can I experience joy and bring joy to others?

Year 7 (now our Year 8) pupils had a fantastic time over the summer holidays taking part in activities to develop their creativity, resilience, team working skills and confidence. Their activities consisted of Art, Drama, Steel Pans, Sports Day, Shakespeare in a Box, Space Rockets, Engineering, Coding, Cooking and an Inflatable Assault Course. It's safe to say that the pupils had a fantastic time with their friends old and new and really enjoyed meeting our new Year 7 pupils (then in Year 6) who have started with us this week. Pupils said throughout the week that they didn't want to leave and they wished the week was longer. That is due to the hard work and dedication of the staff at Saint John Wall making the experience so special and memorable for them.

Our theme for the week was: Who am I? How can I experience joy and bring joy to others? Pope Francis says:

*"The true joy experienced in the family is not something casual or accidental. It is a joy born of the profound harmony among persons, which gives us a taste of the beauty of being together, of supporting one another along the journey of life"*

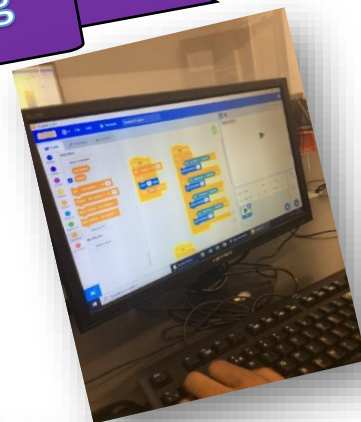

Throughout the week, as a family we reflected on this and we encouraged pupils to think about how they can experience joy in their activities and how they could also bring joy to those activities for their peers.

**By Mrs Breslin**

Saint John Wall school welcomed 30 Year 6 pupils for summer school fun at the end of July. The pupils were able to get to know the school and each other whilst building cars, rockets, and planets. They also participated in the fun sports day with the Year 7s and made new friends. When asked, most pupils said that their favourite activity was the bouncy castle assault course on Friday.

## Year 8 Summer of Fun 2021

The week beginning the 26 July, 30 Year 8 (now our Year 9) pupils attended this year's Summer of Fun event organised by the staff of Saint John Wall. The aim of the week was for our pupils to think and consider what type of person they are or who they want to be moving into the most important years of their time at SJW. Throughout the week, pupils took part in a range of activities that allowed them to be creative, be challenged and work as a team in sessions that they may have never done before. The week consisted of events such as Gardening, Coding, Shakespeare in a Box, Solve the Mystery and we ended the week celebrating who we are with Steel Pans, Art and an Inflatable Assault Course. Through this week the pupils were not only reflecting on who they are but they were developing skills that they can take forward into their education and further.

I am so glad that this week was a success and ran smoothly! It was a pleasure to organise it and I would like to thank my fantastic team (Miss Lake, Mr Simmons, Mr Woodward, Miss Flinn, Mr McLernan, Mrs Mann, Mrs Habibullah, Mr Hayatt, Mr Hussain, Miss Quinn, Miss Lai, Miss Pollock, Miss Mubashar, Miss Boora and Mr Moran, Mr Clarke and the Site Team) for all their hard work and contributions into making this week happen. I would not have been able to do it without their support. I hope the Year 8 pupils enjoyed it as much as we did.

It is so important as an individual to consider what type of person you are or you would like to be especially moving forward in not only your education but in life. Throughout this week, we reflected on different key characteristics of a person and what God calls us to be and how we can go into society being the best person we can.
