## A Catholic School For All

### Mission Statement

'To educate each and every unique child in our care to hear and respond to what God calls them to be'

Issue 22

Weekly Information Bulletin

Date: Friday 1 March 2024

Catholic Life - This year we are focusing on 'Year of Live Simply'.  
Termly Theme: Dignity of Work and Participation  
Termly SJW Values – Eloquent and Truthful

**This week in weekly worship...** "We focused on Lent Reconciliation. As the SVP Group, we were able to help deliver Weekly Worship, focusing on the Our Father. We explained the Our Father line by line, giving pupils the opportunity to reflect and say they are sorry. The Our Father is important because the Father is Father to us all and so we should always treat everyone with **dignity**".

#### Year 7 SVP Group

**This week in afternoon prayer...** "We prayed for Fairtrade. Fairtrade is where farmers get what they earn and are treated with **dignity**. There are many examples of Fairtrade products including hot chocolate and bananas. We also prayed that we become **faith-filled** and **hopeful**. These are a part of our values here at St John Wall Catholic School. We can be **hopeful** by trusting that our goals in life will be fulfilled. I like Afternoon Prayer because we are always able to reflect on the prayer afterwards".

Arjan Badhan 9GRE - Liturgy Team

#### Class Mass

"This week we went to Mass as a class. It was very peaceful and quiet. Fr Subba spoke about Lent and the importance of prayer, fasting and almsgiving".

### Visit to St Mary's Coffee Club

To celebrate the leap year there was a games session at St Mary's today. Pupils enjoyed taking part in Bruce Forsyth's 'Play your Cards Right'. They were also invaluable at setting up endless games of skittles and ensuring there was no cheating taking place! There were ample rewards of cake and biscuits to finish the session. Next week is bingo so pupils will be on hand to help guests keep up with the bingo caller.

## Active Travel Ambassadors

Over the past few months, pupils in Year 8 have been working with Alice from the Active Travel Ambassador programme to promote active travel in our area. They worked together to find out how many pupils walk to school and thought about what they could do to promote safer travel. On Wednesday, the pupils travelled to Birmingham Town Hall to pitch their ideas in order to win some money. Pupils were awarded £200. They will now use this money to pitch their idea to the rest of the school. Well done to Kosy, David, Titus and Hubert for all their hard work and how well they delivered their speech.

## Class Mass at St. Augustine's Parish Church

Since returning from the February half term, we have continued our class masses with Year 7. Thank you to those pupils who put themselves forward to do readings. Well done to all pupils for always showing respect and to Fr Subba for always giving us a warm welcome!

## CAFOD Group

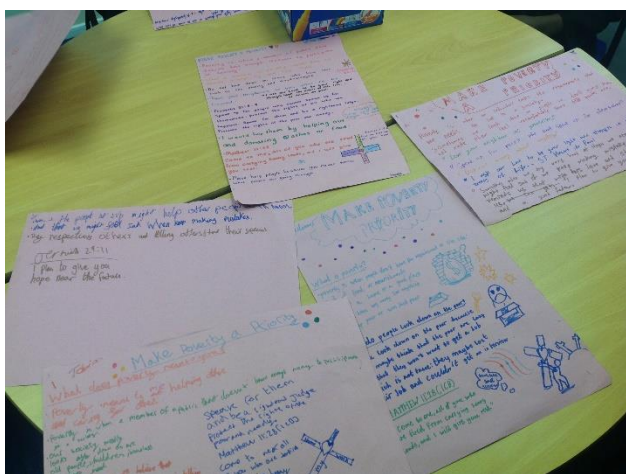

This week, some members from the CAFOD group met to discuss our Big Lent Walk. They met to discuss how they could raise awareness for the walk using posters as an example. Saint John Wall will be raising money this Lent for CAFOD through walking a total of 200km. CAFOD help to raise vital funds for communities around the world. This year, CAFOD's Lent Appeal is helping fishing communities feed their families in Liberia. If you would like to sponsor our school, please follow the link <https://schools.walk.cafod.org.uk/fundraising/saint-john-wall-catholic-schools-fundraising>.

## SVP Group

This year, the St Vincent de Paul's Lenten focus is to 'Make Poverty a Priority'. Pupils in groups used the Stations of the Cross to think about the journey that Jesus took to the cross. As they thought about Jesus on this journey, they thought about how they can see, think, and do, and how they can raise their voices for people in their communities to make poverty a priority. Pupils made posters reflecting on what they found out at each station.

The SVP Group have also begun to create their own Easter Cards. These will be sent out to local primary schools over the next few weeks.

## Sanctuary Group

This week, the Sanctuary Group looked at the importance of seeking safety and what we have in common. Pupils were given a list of famous people and had to think about what they had in common with them. The answer was that all were famous for the contribution to society in the UK, but that they, or their family, had to seek safety. For example, pupils didn't know that the founder of Marks and Spencer was a Polish Jew who had to flee to the UK. Pupils also did a sorting exercise around myths and facts.

## Wellbeing Group

When we came back after the half term, members of the Wellbeing Group discussed the Weekly Worship that they had planned for Children's Mental Health Awareness Week. This took place on the first week of February. Pupils discussed the many positives such as the information and activities that were provided. However, they also discussed what could be improved for next time and thought about the importance of using the microphone correctly when presenting to an audience.

### Slide 3

Hello everyone and welcome to our Weekly Worship focusing on Children's Mental Health Awareness Week. We are your Y8 Wellbeing mentors. Children's Mental Health Awareness Week is a week that empowers, equips and gives a voice to all young people in the UK. This year, it is being celebrated from 5-11 February.

In school, we are focusing on 'Living Simply' and this term, the values of being eloquent and truthful. As a Catholic School For All, we should always be eloquent and truthful to those in our community and around the world. This is so we can make sure that we are always compassionate and loving, especially during Children's Mental Health Awareness Week.

The theme this year is 'My Voice Matters' and it is great to be able to lead this Weekly Worship and explore just how important our voices are.

### Slide 4 - Listen

#### A reading from the Gospel according to Mark

On leaving the synagogue, Jesus went with James and John straight to the house of Simon and Andrew. Now Simon's mother-in-law had gone to bed with fever, and they told him about her straightaway. He went to her, took her by the hand and helped her up. And the fever left her, and she began to wait on them.

## Lunchtimes in the Chapel

Pupils in the Chapel at break times and lunch times have continued to take part in different activities including board games and Jenga as well as wordsearches and colouring on being kind, being back to school and Lent.

## Head of Year News

### Head of Year 11 Spotlight

Welcome back to school after half term, and it has been powerful to see Year 11 wanting to use T2 at break and lunch, motivating and pushing each other. We started our mock two examinations last week and completed them yesterday - you are shining! The mock examinations were your last opportunity to actively take part in the GCSE exam experience before the real exams in May and June.

I would like to invite all parents/carers to the Year 11 Parents' Evening on Thursday 21 March 2024. This provides parents with the chance to meet with teachers and understand how they can support their child at home.

We have been sharing some important messages about the importance of preparation regarding learning and revision, but this also includes getting the right amount of sleep, leaving earlier to make the journey to school, and ensuring we always have the correct equipment. Success will come from trying, persevering and reflecting and everyone once was a beginner.

I would like to remind all parents/carers and pupils that the Year 11 rewards trip to Alton Towers is on Thursday 2 May 2024. The cost of the trip is £30.00 paid by cash to the school office with a deposit of £10.00 to be paid no later than Thursday 21 March 2024 with the remaining amount to be paid by Thursday 25 April 2024. If your child meets the criteria for the 'Going for Gold' challenge, then a refund will be issued.

Overall, Year 11, you are doing some fantastic work, gaining respect and positive feedback from staff, and I am extremely proud of you. Please maintain these high standards and continue to shine.

By Mr Hussain

### Head of Year 8 Spotlight

Last month pupils completed their first assessment week of Year 8. This included core subjects (English, Maths, Science and RE) taking place in our gym and other subjects taking place in their lessons. It was really good to see Year 8 taking pride in their revision preparation before the assessment week and behaviour entering the exam hall was very good. This assessment week not only allowed pupils to test their knowledge in each subject but it has allowed them to reflect on how they got on in preparation for choosing their options. Next week parents and pupils in Year 8 are invited into school to speak to staff and discuss Core lesson progress and available Pathways subjects. You will have the opportunity to discuss your child's progress in core subjects, as well as look into other subjects that they may continue to study next school year. The Pathway's Afternoon will be on Thursday 7 March from 2.30pm-4pm. I would encourage you to attend this pathway afternoon with your child so you can ask any questions about the amazing subjects we offer here and any other questions you may have or concerns you might have regarding your child's next steps in their education.

### 100% Attendance and Punctuality

It is so fantastic to see so many pupils getting into school every single day with no lates. Attendance and punctuality are key for a successful future.

It is important that all pupils attend school every single day and get to school before 8.50am daily. This will ensure that pupils are able to gain maximum knowledge and learning to succeed in all their subjects. Pupil attendance helps by building habits, preventing missed opportunities, better academic performance and a sense of community in the classroom in preparing pupils for their future success.

# Health For Life Cookathon 2024

## poppy cooks

### Healthy Lemon and Herb Chicken Flatbreads

During their Hospitality and Catering lessons this week Year 9 and 10 created delicious Lemon and Herb Chicken Flatbreads as part of 'Health For Life Cookathon 2024' with Poppy Cooks.

TV presenter, author, Michelin-trained chef, internet sensation Poppy Cooks has been working in professional kitchens for over a decade! Poppy is the author of two best-selling books and the co-host of BBC Three's "Young Master Chef."

Poppy created a healthy and easy-to-follow recipe which incorporated a number of skills including using a marinade, making homemade flatbreads and creating a simple dressing.

Well done Year 9 and Year 10 your food looked and tasted delicious.

## Book Reviews

Well done to the pupils below who have been reading books regularly and have written the following reviews.

**By Mr Mull**

### **Dead Scared by Tommy Donbavand**

*"Toby is at his mom's funeral where he gets into an argument with his Uncle Gary. He swings at Gary almost killing him and there he meets Nick who offers to bring his mom back but send someone else to the grave. He accepts sending his Uncle Gary to the grave. He goes outside for some air and Gary's daughter, Mel follows behind. She rips the form/contract and they both are stuck in a coffin. They use gum to try fix the contract and they get sent to a random place and they must fight with Nick. Toby accidentally writes his name on the line and he's now alone in the grave forever and ever."*

**By Zuzanna Gruszczynska 7HAB**

### **Dawn of the Daves by Tim Collins**

*"The book was about lots of daves, 2 girls and 2 boys and they hypnotised the teacher and joined a debating club. The thing I liked about it was when Sarah killed the robot."*

**By Hussein Muhumed 7HEA**

### **Pancake Face by Georgia Byng**

*"This book is about a girl with no nose and people were bullying her until she met a man on the roof with no eyes and they started noticing each other. My favourite part was when she was on the roof with the birds and singing with them."*

**By Christian Adjei 7PAL**

### **Beast Hunter by Kathryn White**

*"The book I read was amazing because it's about a boy called Jacob who found a half metre reptile tale and trying to get it out of a quarry. Once he went to the police station, they didn't do anything and they called it a joke so then when Jacob came out of the police station he saw a van which can find pets. He contacted the guy who was called Ryan, then Jacob took a picture but then it was out of focus so then Ryan and Jacob went to the quarry and discovered it. So that was my favourite part of the story."*

**By Mohammad Skander Nouman 7HEA**

### **The Ghost in the Artroom by Roger Stevens**

*"This was an amazing book it talks about a skeleton dog being trapped in a storeroom and I really like the book it's really interesting!"*

**By Manal Okyere 8REG**

### **Ghost by Jason Reynolds**

*"This book was about a child named ghost who was a runner and found a group to join and in the end he was very good at running. His dad tried to kill him when he was younger with a gun but ghost and his mom hid in a store and that was when he learned how to run."*

**By Hayden Sidhu 8LEV**

### **Brilliant World of Tom Gates by Liz Pichon**

*"The book was funny and imaginative it had really good doodle and I recommend it for people that like diary of the Wimpy Kid or Dork Diaries. It can be relatable in some way it can be funny and you can feel the annoyance of the people in the book."*

**By Silvia Nah 9GRE**

### **The find outers - The mystery of banshee towers by Enid Blyton**

*"The book was interesting, and it was really exciting to read as it was full of mystery."*

**By Riya Bains 9ANT**

### **Call of the Wild by Pauline Francis**

*"This book was about a dog called Buck. Buck was kidnapped and transported to the snowy wastes of northwest Canada to work for gold hunters. As the story unfolds, Buck becomes more and more of a dog of the wild, until at the end he faces a pack of wolves."*

**By Aaliyah Bains 8LEV**

### **Wonder by R.J. Palacio**

*"The book that I read was good, but I was not that interested in it because I liked the movie better. The book is about a boy who dreams to be astronaut in the future but gets bullied for the way he looks because he has Treacher Collins syndrome. He makes a lot of new friends later because he showed them the right thing to do and not to bully anyone."*

## House News

This week the literacy house competition launched in form time. The focus for this competition is World Book Day and International Women's Day. We are celebrating World Book Day on the 14<sup>th</sup> March here at Saint John Wall and the competition is centred around the love of reading and using literacy skills to write a short book review for the newsletter!

Pupils will use the house slot in form time to either read a book from the library or write their review. There will be bonus points if pupils write their review of a book written by a female author or a story about an inspiration woman.

During rewards week, pupils were able to purchase a book by female footballer Leah Williamson to inspire and prepare them for this competition. There will also be a one-day form activity for International Women's Day allowing pupils to show their creative flare whilst thinking about the inspirational and brilliant woman in their life.

Following National schools football week on the 5th-9<sup>th</sup> February the leaderboard has changed dramatically! The current leaderboard is below:

**1<sup>st</sup> - Gandhi**

**2nd - John Paul**

**3rd- Luther King**

**4th- Mandela**

**5th- Pankhurst**

## Duke of Edinburgh Award

Pupils who are enrolled onto the DofE are steadily moving along the sections required to be completed before their expedition in the summer term. It is great to catch up with pupils around school informing me of how they are getting on with developing new skills, volunteering and enjoying physical activity!

We are quickly approaching the summer term where pupils will start to prepare for their expedition. This section involves a night away camping learning skills such as cooking using a Trangia, map reading and following a planned route whilst navigating through various terrains. Pupils will be preparing the equipment ready to head out on the expedition and learning how to put their tent up as their next task.

**By Miss Young**

*"I have been learning Karate to be assessed for the skill section to achieve the bronze DofE award. It has been so much fun to try something new. I have been attending various sports clubs at school to contribute towards my physical section".*

**By Isaac Kidane 9ANT**

## CORE PE

To improve pupils' wellbeing through Physical activity, Year 9 girls in core PE performed various dances using just dance and creating their own routines using the knowledge they have learnt in Core PE whilst doing their dance unit. It has been fantastic to use this until to grow their confidence and give them the opportunity to take ownership of their learning by choosing their own music and for them to see how moving their body through dance can improve their wellbeing!

**By Miss Young**

*"I enjoy dancing outside of school, so it has been so much fun to perform with my peers and have the freedom of choosing our own music".*

**By Rehmidi Wright 9ANT**

*"I have really enjoyed doing just dance to warm up and picking our own music. It has been nice to have freedom over the songs we enjoy listening to".*

**By Damaris Tofei 9TOW**

*"The dance unit has given us the resources to be able to practise outside of school - Just dance is so much fun".*

Dear Parent / Guardian

### 2024 dates announced for FREE holiday clubs in Birmingham!

As the spring holiday approaches, we want to highlight the FREE, engaging and fun-filled holiday clubs available across the city throughout 2024. Designed to provide a safe and stimulating environment for your child during the holidays, Bring it on Brum! holiday clubs guarantee your child an unforgettable experience packed with exciting activities and opportunities for learning and socializing.

Activities include sports and games, arts and crafts, cookery, dance and music. All clubs provide a nutritious and delicious meal too! Programmes vary depending on location.

### Holiday Club Dates 2024\*

Spring	Summer	Winter
Monday 25 <sup>th</sup> March- Friday 5 <sup>th</sup> April 2024.	Wednesday 24 <sup>th</sup> July- Tuesday 3 <sup>rd</sup> September 2024	Monday 23 <sup>rd</sup> December- Friday 3 <sup>rd</sup> January 2025

\*Excludes weekends and Bank Holidays.

### Eligibility Criteria

If your child is aged between 4-16 and is eligible for benefits-related free school meals, then they are entitled to access Bring it on Brum! holiday clubs for FREE.

### Booking Information

You will need your Bring it on Brum! code to book your holiday activities through the Bring it on Brum! website or directly with the holiday club of your choice.

### Look out for your code via your child's school email.

Holiday clubs can be booked via the Bring it on Brum! website at [www.bringitonbrum.co.uk](http://www.bringitonbrum.co.uk).

Bookings for spring holiday clubs will open from **Monday 4<sup>th</sup> March 2024**.

***Last year, we had a significant number of young people booked onto holiday clubs and not attend. This takes spaces away from other children who would like to attend. If you book an activity for your child/ren and they can no longer attend, please contact the provider to cancel the spaces so these can be made available for other children.***

### Activity Packs

If you are not able to access face-to-face holiday clubs, at home activity packs are also available. You will need your Bring it on Brum! code to request a free activity pack. Packs are available one per eligible child and are available for primary or secondary age.

Families can register for a free spring activity pack from **Wednesday 28<sup>th</sup> February**. More information on the activity packs and how to register can be found at: [www.bringitonbrum.co.uk/activity-packs-and-food-boxes](http://www.bringitonbrum.co.uk/activity-packs-and-food-boxes).

We hope you make the most of this fantastic opportunity!

# Schools and Colleges Early Support Service: Parent and Carer Webinars

Dear Parents and Carers,

We would like to invite you to attend the **Summer Term** webinar series specially tailored for parents and carers of adolescents, in collaboration with the Schools and Colleges Early Support Service.

The topics have been chosen to reflect core developmental processes in adolescence and common difficulties parents can struggle with. The content is psychoeducational, strategy-based and solution focused. The webinars will cover the following topics:

- How to support your young person with low mood
- Anxiety in adolescence: how can parents and carers help?
- Understanding the impact of bullying on a young person's mental health: practical strategies to help you support your young person to get through their experience and feel okay again
- Managing teen behaviour that challenges: tips and tricks
- Weathering the storms of strong teen emotions: do's, don'ts and when to consider talking to someone
- Understanding the adolescent brain: strategies to help you understand and support young people's mental health and wellbeing
- Supporting your young person through exam time

Further details on each webinar are below. To register please click on the relevant Zoom link. After registering, you will receive a confirmation email containing information about joining the meeting.

## Managing teen behaviour that challenges: tips and tricks

**Wednesday 17 April 12:00-13:00 and Wednesday 19 June 12:00-13:00**

Most adolescents will at some stage in their development engage in behaviour that parents find challenging and worrying, for instance, substance misuse, being overly argumentative and rejecting, oppositional behaviour and excessive social media use. It can become difficult for parents to find ways of discussing their concerns with their teens who may increasingly not want to hear any advice their parents have to offer. This webinar will provide an overview of adolescent development and the brain, including common challenging behaviours during adolescence. It will discuss different parenting styles and offer tips for parents on how to approach and discuss challenging behaviour with teens, and how to set boundaries. Places on this webinar won't be limited and there will be an opportunity to ask questions at the end.

## **Weathering the storms of strong teen emotions: do's, don'ts and when to consider talking to someone**

***Tuesday 23 April 12:00-13:00***

Adolescence inherently consists of many storms that parents, families, and young people have to weather, many of which are driven by an intensity of emotions that is unique to this developmental stage. Teenagers grapple with their own identity, their social relationships, and their need for autonomy, and in turn parents face the challenge of being left out, managing their own reactions to strong teen emotions, and finding different ways of connecting with their teens.

This webinar will provide an overview of the changes adolescents go through, why teenagers experience such strong emotional fluctuations and how these are linked to processes in the brain. It will offer ideas on how to support teenager with their strong feelings and what to best avoid.

Lastly, the webinar will discuss the difference between normal emotional difficulties in adolescence and issues that may need additional support. Places on this webinar won't be limited and there will be an opportunity to ask questions at the end.

## **Understanding the adolescent brain: strategies to help you understand and support young people's mental health and wellbeing**

***Thursday 25 April 17:00-18:00 and 12 June 12:00-13:00***

Scientists have discovered that our brains physically change in response to our experiences throughout our lives. The teenage years are a time of significant brain change when young people are learning to adapt to the world around them.

This webinar will provide an insight into the stages of brain development through early childhood, adolescence and into adulthood. We will consider how changes in the brain affect the emotions and behaviour of your young person whilst providing evidence-based strategies to help you understand and support their mental wellbeing.

## **Supporting your young person through exam time**

***Tuesday 30 April 17:00-18:00***

Stress levels can be higher than usual around exam time. A bit of stress can help us to stay motivated but too much can be unhelpful. This webinar will help you to support your young people in finding the best ways to manage their stress levels and stay calm before, during and after their exams.

## How to support your young person with low mood

**Tuesday 14 May 17:00-18:00**

Low mood does not just affect adults. Young people can experience low mood too. Common signs of low mood often include sadness that does not go away, feeling irritable all of the time, not being interested in things that used to be enjoyed, feeling tired and exhausted a lot of the time. Things that might increase low mood include family difficulties, bullying, bereavement, parental separation, friendship issues.

Our webinar will offer some insight into spotting the signs and symptoms of low mood, understand why young people are vulnerable to experiencing this and offer evidence-based strategies to support a young person.

## Understanding the impact of bullying on a young person's mental health: practical strategies to help you support your young person to get through their experience and feel OK again

**Wednesday 22 May 17:00-18:00**

While lots of young people experience bullying, it is an incredibly difficult thing to go through and can have a huge effect on your child's mental health and wellbeing. As a parent/carers, it can also feel very challenging and worrying.

This webinar will outline the different ways in which young people are bullied and discuss how this might impact them day to day. There will also be useful practical strategies to help you support your young person to get through their experience and feel ok again.

## Anxiety in adolescence: how can parents and carers help?

**Monday 17 June 17:00-18:00**

It is normal to sometimes feel anxious, however for some adolescents, anxiety can become a significant problem that stops them from doing things, e.g., talking to new people, going out with friends, or doing their best in exams. The focus of this webinar will be on what parents/carers can do to help their teens who are experiencing anxiety.

It will cover when anxiety is normal vs. problematic, common anxieties during adolescence (exam stress, social anxiety and worries about identity and development), the relationship between parent-child anxiety, and how and when to access support for you and your child. We will also discuss a couple of 'real world' examples of common adolescent anxieties and different strategies that may be helpful in those situations.
