Weekly Information Bulletin

Date: Friday 27 October 2023

**Catholic Life - This year we are focusing on 'Year of Live Simply'.
Termly Theme: The Common Good - Live in Solidarity
Termly SJW Values – Compassionate and Loving**

This week in Afternoon Prayer... *"We remembered and prayed for Black History Month. I think this is important because black people faced racism and were used unwillingly. We also prayed for and reflected on being grateful and generous people. We can be grateful and generous by giving to charity because this is a good cause. I like Afternoon Prayer because it shows us the important things we should reflect on."*

By Christina Morisho 7HEA

This week in our Weekly Worship... *"We focused on safety over the half term. We discussed safety around Halloween and bonfire night. We also thought about the do's and don'ts for over the holidays, especially around using fireworks. We reflected on how to be safe around them. We also focused on anti-social behaviour and why it is important to behave correctly over the holidays."*

Message from Chair of Governors

"Pupils blossom at this unique and caring school." Saint John Wall Catholic School Ofsted Inspection Report, June 2023.

With all that is happening in the world June feels a long time ago when Ofsted inspectors visited Saint John Wall. Something I clearly remember, however, is hearing the lead inspector say he'd never received such positive feedback in any school he'd inspected. The full report has now been published and is found on our website. As shown above, its first line is as big a compliment as could be paid to any school. The rest of it makes good reading too. Congratulations to Miss Marston and all staff and of course our pupils on achieving such a brilliant outcome.

Still on events of the summer, Mr Holder recently provided governors with a very detailed account of how last year's Year 11 pupils performed in their exams. He informed us that our 2023 Progress 8 (P8) score is +0.92. As a reminder, a school's P8 score is the measure the government uses to track the progress pupils have made since starting in Year 7. A P8 of 0.0 tells you pupils have achieved what is expected of them, no more and no less. A P8 of +0.92 is an absolutely extraordinary figure. It means our pupils achieved very nearly a whole GCSE grade higher in every subject compared to pupils nationally. An astounding result I'm sure you agree. Last week the official data for all schools was published:

<https://www.compare-school-performance.service.gov.uk>

They show we are placed in the top 3% of schools across the country. Incidentally our P8 score for girls is 2nd in Birmingham!

These results tell us that year-on-year the school continues to excel. Saint John Wall remains amongst the best of any Catholic school in the whole Archdiocese of Birmingham. Many congratulations go to the pupils on their astonishing achievement.

Good luck to them as they now move on to their next stage of further education or training. Ofsted picked up on this and mentioned in their report that **"pupils gain the qualifications needed for future study, employment or training."** In fact, over three-quarters of those pupils are now studying Level 3 courses such as A Levels, a combination of A Levels/BTEC, BTEC or T Level courses. Last but not least thank you to parents for supporting the school remembering their children had to overcome the many problems caused by the Covid lockdowns whilst in Years 8 and 9.

Congratulations again to Miss Marston and her incredible team of staff for the dedication and expertise they continue to provide. Life goes on however and already staff are preparing the current Year 11 pupils for next summer's exams. It's a big challenge to repeat such a performance again but based on past outcomes they will be given the very best chance to succeed.

Another excerpt from Ofsted's report stated that **"Safeguarding is a strength of the school."** For any school to be successful each of its pupils has to be confident that they are studying in a safe and secure environment. Mrs Crooks recently provided governors' annual training on this with a particular emphasis regarding on-line activities. Parents can be certain that safety is paramount in all our school planning. For further help and information on safeguarding please look on our website.

This school year began on a very sad note as Miss Marston and staff paid their respects at the funeral of Miss Nightingale, our School Games Officer. Her sudden death in July shocked everyone. Miss Nightingale will be missed by all who knew and worked with her but without doubt the legacy of the work she began will be built upon to benefit many in the years to come.

Eternal rest grant unto her O Lord and let perpetual light shine upon her may she rest in peace and may her soul and the souls of the faithful departed, through the mercy of God, rest in peace. Amen

Please get in touch should you require any more detail about what I've written. Before finishing I wish a relaxing half-term break to Miss Marston, all the staff and pupils.

The evolving situation in the Middle East is extremely concerning to all of us and especially for those helping young people make sense of complex global events. In its report Ofsted noted that at Saint John Wall: **"difference is valued, nurtured and celebrated. This fosters a happy, safe and harmonious school culture."** If only it was true throughout our world. So, and until the next time, I'll end with this prayer:

Lord God of compassion, whose will is for peace built on righteousness. We pray for peace in Gaza and Israel. For an end to hostilities; for comfort and help for all who suffer; and for reconciliation between all those who live there. Through Jesus Christ, the Prince of Peace,

Amen.

Saint John Wall, pray for us.

By Martin Jones - Chair of Governors

We have some fantastic news to share about some of our former pupils who attended King Edwards Handsworth boys grammar school for their A-levels.

- Callum Khan achieved ABB in his A-levels and is going to study Architecture at University of Manchester
- Saksham Dadhwal achieved DCD in his A-levels and is going to study Healthcare at Worcester University
- Awais Younis achieved ABB in his A-levels and is going to study Computer Science at Aston University

We would like to wish them the very best in the next steps of their further education.

I have further pleasing news from our leavers 2023 and the survey they completed on their KS4 results day based on their learning journey at Saint John Wall.

- 94% agreed or strongly agreed that they enjoy school
- 98% agreed or strongly agreed that the teaching is good at Saint John Wall
- 97% agreed or strongly agreed that they felt safe in school
- 99% agreed or strongly agreed that they have been helped to do their very best

Based on the results and their next step destinations that the Leavers 2023 cohort achieved, I am sure that in two years time we will have some amazing A-levels and university destinations to celebrate.

Staffing Updates from Miss Marston

We have had a few staffing changes this week ready for after half term.

We are very pleased to welcome back Ms Turner to the English department. Ms Turner is an experienced English teacher and ITT mentor, who has worked previously at Saint John Wall.

Mrs Kroitoru will change her role from cover supervisor to EAL and MFL teacher.

Mr Rosellon is leaving to take up a job in industry. We are very sorry to see Mr Rosellon leave us and would like to thank him for his contributions to the EAL and MFL departments over the last 3 years. We wish him all the best for the future.

Goodbye Message

"It is with a mix of emotions that I write to say goodbye to SJW after three wonderful years as a Spanish and EAL teacher. My time here has been a fantastic journey, filled with memorable moments and valuable experiences. The warmth and support from both the staff and pupils have made this place feel like a second home. Working with the pupils has been an incredible privilege, their enthusiasm for learning and their willingness to take on language challenges have been truly inspiring.

Having said this, I would like to express my gratitude to everyone for entrusting me with these roles, your support has meant the world to me.

As I move on to new adventures, I take with me the fond memories and lessons learnt here. SJW will always hold a special place in my heart.

Thank you for everything once again, I will miss you all."

By Mr Rosellon

Welcome to Saint John Wall

"I am delighted to join Saint John Wall as an English teacher and mentor to trainee teachers. Having worked at Saint John Wall previously around five years ago, I understand what a special and unique school it is with warm and caring staff and pupils with personality who want to do well and work hard to fulfil their potential. I'm really looking forward to supporting the next generation of up and coming teachers and believe passionately in teacher development and use of research to support high quality teaching and learning. I am so looking forward to working once more in such a caring, compassionate and stimulating environment. Saint John Wall has always held a very dear place in my heart and I hope to make a positive contribution to its highly successful English team."

St Mary's Coffee Club

We were treated to traditional music from Ireland and Syria courtesy of today's guests. Raghad, a Syrian refugee was part of a national orchestra before she had to flee to safety some years ago and is busy sharing her talents in the UK now. We were unable to get pictures of the musicians playing but thoroughly enjoyed listening. Pupils enjoyed explaining their cultural heritage outfits and we finished our visit off by singing happy birthday to Wendy who will be 80 tomorrow!

Year 8 Wellbeing Ambassadors

The Wellbeing Ambassadors have been working hard over the past few weeks putting together resources for Mental Health Awareness Day. Pupils put together resources including word searches and colouring that were then used by staff before their department meetings. Staff were able to take time out to think about their own Mental Health before their meeting. Pupils also thought about different Mental Health charities in the local Birmingham area and researched why we should raise money for them!

Year 7 St Chad's Sanctuary

This week, pupils from the SVP and Sanctuary Team in Year 7 visited St Chad's Sanctuary. They had a tour of the Sanctuary and reflected on Asylum Seekers and Refugees and the journeys they have to take. They also discussed the importance of their donations and how these donations help so many people. Thank you to Brendan from St Chad's Sanctuary for the guided tour. From next half term both teams will be looking into ways of supporting the Sanctuary further and will organise and lead on our Advent charity campaign for the Year group.

Year 7 SVP

After their commissioning Mass last month, the SVP group have been introduced to St Vincent de Paul and the work of the society. With the information they had found out, the group made posters and also prayed for five different people using the outline of their hand. They also completed some work on Asylum Seekers and Refugees and the differences between them.

Blessings of the Classrooms

At the beginning of the month, Fr Subba visited school to bless every classroom in the school. Fr Subba blessed the classrooms, praying for all teaching and learning that takes place inside them. He also prayed for all staff and pupils at the school. Thank you to Fr Subba for taking time to do this.

Year 8 CAFOD One World Group

The CAFOD One World Group has met to reflect and learn more about Pope Francis' letter to the world 'Laudato Si'.

The One World group has been working towards getting more people to eat meat free meals at least once a week. This is beneficial towards you and the planet. There are many surprising benefits towards beginning to start having a meat free diet. For example:

- Reduced risk of Heart Failure
- Reduced risk of Heart Disease & Stroke
- Reduced risk of *Cholesterol* (a waxy, fat-like substance that your body needs for good health, but in the right amounts)
- Reduced risk of Obesity
- Reduced risk of Cancer
- Reduced Weekly Shop Cost

- Reduced Environmental Damage
- Reduced World Hunger

These are all the benefits of having at least one meat free meal a week if not more.

Year 9 Mass at St. Augustine's Parish October

Year 9 Liturgy Team

Our Liturgy Team has continued to support the school throughout October, giving up their time to support Mr Lysaght in the Chapel at lunchtimes, creating beautiful displays for Weekly Worship, and completing audits on the Catholic Life of the school.

Year 7 Welcome Mass

Over the last half term Year 7 have been preparing for their Welcome Mass. Each Monday morning, we have enjoyed learning new songs with Mrs Crooks which we sang during the Mass.

On Tuesday each form visited the Chapel to work with Mr Lysaght on what it means to belong. They studied the scripture for Mass and reflected on the life of Saint John Wall.

On Thursday we celebrated mass together, along with parents and staff from some of our feeder primary schools.

Fr Subba was led in by dhol drummers Akhil Ram 8JAS and Arjan Badhan 9GRE along with altar servers Andrzej Kozakiewicz 7BRS and Dieudonne Nah 7PAL. Thank you all for supporting our mass.

Our school shields were presented to Fr Subba and prayers offered up for God as our strength and our shield.

Thank you to our readers:

Black History Month

Last week we were delighted to have Britain's first ever black ballerina Julie Felix come into school for the day. Julie had some talks with Year 7 & 8 pupils about her struggles being a black ballerina in a profession that, at the time, was not inclusive to people of colour. She talked about her successes as well as her struggles and also gave advice to the pupils on how to achieve their dreams despite rejection. In the afternoon, Julie then ran a dance workshop with our dance pupils to help them prepare for the Christmas show. All the pupils said they learnt so much from Julie's story and she has inspired many to achieve their dreams.

By Miss Antonucci

On Tuesday, we had a visit from Horizon Voices who have been working with Year 8's virtually over the past few weeks to complete a singing project. They ended their project with a visit to the school this week where the pupils had an introduction to songwriting, singing as a group as well as including body percussion. Thank you to Horizon Voices for a great day, giving pupils a unique perspective to singing and songwriting.

Black History Month

On Tuesday, Pauline Tomlin, a singer, dancer, actress, motivational speaker, and former English Teacher from Leeds came to speak to some Year 7 and 11 pupils for Black History Month. During the talk called 'An Audience with Ms T', the pupils were given a bit of a background to Pauline's life, growing up in Leeds being from a Caribbean background, and how society treated her growing up in the 1970s. She spoke about how she never let this treatment bring her down, and how she would always try her hardest to succeed, leading to her often being the only black person in her class, or as she described it, 'A piece of coal in the snow'. Pupils were then told about how your differences should not be something to hold you back, and if someone is using this against you, then you should find the courage to find people who will lift you up and help you grow as a person, with the key message from this session being 'You are UNIQUE, and that is your superpower!'.

By Mr Hayaat

"She was an inspiring person who taught us to never give up because you don't know where you'll end up."

By Natasha Phagania 11RAT

"I really enjoyed the speech because it taught a very valuable lesson that you need to be kind to yourself, and you are one of one."

Head of Year News

Head of Year Spotlight. This month, Year 11:

Firstly, how fast has this term gone? Let's put some breaks on!

- Congratulations and well done for successfully completing your first half term as Year 11 pupils. I am proud to be part of your team - keep shining!
- Our attendance to school is good, but we have room for improvement, including arriving to school on time. Please reflect on your attendance and let's aim for a stronger performance after half term on attendance and punctuality.
- Your attendance to after school revision has been strong and I have seen how well you are engaging in these sessions. Please note, it is compulsory to attend revision, as this is precious time with your teachers to help you reach and exceed your targets.
- Several of you have been looking into post 16 providers, including sixth forms and colleges and some have visited open days. Please ensure that you are talking to Mr Holder and myself about these so we can help and guide you.
- A highlight for me has been our Weekly Worship, and you have been reverent and shown maturity, with our visitors commenting on your excellence, this is brilliant, well done. We will be having several more post 16 providers joining our Weekly Worship during November and December.
- You have your first set of Mock exams after half term, so it is important you are creating set routines for your mind and body.
- I would like to thank the school prefects for everything you do for the school and the support you provide for all the pupils in our school.

Finally, on behalf of our Year 11 pupils, I would like to thank all members of staff that care and educate our pupils - thank you.

"We can't help everyone, but everyone can help someone"

Mental Health/Drugs Awareness

All drugs influence our physical and mental health. Drugs can affect the way that we see and experience things. They can affect our mood and behaviour.

In some cases, using recreational drugs can lead to long-term mental health problems. They can be a 'plug' to help you at first, stopping the feelings that poor mental health may cause from creeping in, however, the effects don't last long. The use of drugs often gives rise to further problems with our mental health.

This month we were visited by David Graham who presented and alternative to drug misuse. A 'Natural High' was his message to pupils in Year 7 (and has been his message in our school for over 25 years!), encouraging us all to use our smarts, exercise and creativity to keep our minds healthy. Pupils heard David's story, and how he keeps his own mental health under control through music. They also took part in several competitions, from kick ups and dancing, to creating their own lyrics to an anti-drugs song.

If you or a family member is struggling with concerns around drugs misuse, talk to FRANK.

<https://www.talktofrank.com/> 0300 1236600

For all our pupils who have had the pleasure of hearing David's talk over the years, please don't forget to use your bowling pass for a free second game! The voucher only runs out when you reach 16.

By Mrs Ellis

100% Attendance and Punctuality

These pupils have been in school every day since the start of the year, with NO lates! They have 100% attendance, and we would like to say a huge well done to these pupils for this. Thank you to parents/carers who ensure that your children are coming to school not only every day but on time. We will continue to monitor attendance throughout the year and would love to see more names next month. Attendance is vital for your child's education and missed days lead to missed learning. Pupils need to be in school before 8.50am every day and need to go straight home at the end of the day, or after clubs, especially as it is getting darker earlier.

Classcharts

In the month of October, we have 189 pupils in Year 7 to 11 on 100% positives with no negatives (all pupils are listed below). It is fantastic to see so many pupils who have been meeting expectations and gaining their praise points from their teachers. These pupils should be receiving a praise post card from their form tutor to celebrate their achievement. Next month I hope to see more children on this list for November! Keep up the hard work and being the best you can be.

RE Development Homework

Our RE department are very proud of all of the pupils which submitted their development homework for Autumn 1, we have completed our first draw and we have 3 lucky winners!!! All 3 pupils Lydia, Akhil and Raya were happy to choose their own prizes and we look forward to receiving more development homework entries, so we are able to give out more prizes! Please remember that the development homework helps pupils accelerate independent learning through self-study and self-understanding of the content we go through in our lessons.

Year 8 Winner: 8REG

Year 9 Winner: 9GRE

Year 10 Winner: 10HAS

Upcoming house news

Next half term we are dedicating the house events to Remembrance Day. Each form will create a 'Postcard for peace' to commemorate Remembrance Day. The aim of their postcard is to share messages for peace and display artwork symbolising the importance of peace. I am looking forward to seeing creations from each form!

Poem 'This is Me'

In the mirror, I see the person I'm meant to be. A reflection of dreams, this is me, this is me.

With boundless admirations, my teachers stand tall. Guiding lights in my life, they've seen me through.

Their wisdom and grace in my heart, I hold dear, for they've nurtured my spirit, year after year.

In the classroom, numbers and equations entwine, mathematics, my passion, a love so divine.

From ciphers to algebra's grace, solving equations, my heart finds its place.

Spanish, a language that dances on my tongue, with words like poetry, my heart is sung.

The culture, the music, the vibrant array. In every "hola" and "adios", I find my way.

This is me, a student, a learner, a soul. With love for the numbers and stories untold.

To my teachers, my mentors, with gratitude and glee, I say "Gracious por todo", this is me, this is me!

House rewards

It has been a fantastic half term of pupils demonstrating good behaviour and a great attitude to learning, earning lots of positive points! We have already had 180 pupils use their points to buy prizes such as hygiene products, mindfulness books, footballs, and break time snack passes! Keep up the good work and purchasing more rewards!

House Captain leadership day

As part of the school games programme, 13 Year 10 pupils attended the Birmingham leaders' flagship event where they were tasked in creating a project to bring back to school. Pupils were given the opportunity to network with other schools and build on teamwork and communication skills. The pupils who attended received T shirts and School games merchandise! Our House captains have decided to launch an Active 60 campaign, keep an eye out for more information about this after half term! Well done to those pupils who represented the school fantastically!

'This is Me'

In the world of being twelve, here's what I see,
I'm sharing my heart, so listen to me.

With feelings inside that twist and twirl,
I'm finding my way in this big wide world.

Hobbies light up my days with a special glow,
from drawing to gaming, they make my heart go.
In each brushstroke and level I achieve,
I'm expressing myself, that's what I believe.

My hopes and dreams are big and bold,
like reaching the stars or so I've been told.
I dream of adventures, both near and far,
and being a shing star!

I like ice-cream and staying up late,
but spinach and chores? I can hardly wait!
My identities like a puzzle to complete,
with pieces of me that are truly sweet.

In my beliefs. I have values so true,
like being kind to others, that's what I do.
Achievements are like trophies, big and small,
from acing a test to scoring a goal.

Heritage is like a treasure to uncover,
with stories of the past to learn from, discover.
So, here's my little tale, just for you to see,
"This is me"! I shout, as I grow and be me!

8REG

Poem

If I moved to the UK, I would go to the museum to learn
about my history and the past.

How important people in life have made history and changed
the world in many different, unique ways.

When I was young I had a different beliefs to everyone and
then my family told me that we should treat people who have
different religion beliefs with kindness and respect.

As I remember it is Black History Month, we treat others in
our community with equality.

If I could make a change, I would make sure everyone is
treated with respect and stop racism.

This is our history.

10HAS

Poem

I only learned about my family history 4 years ago,
it turns out my grandfather was the eldest son of a King,
if he became a king, he would have to stop being Christian!
He had a choice, to throw away his beliefs or stand with
Christianity!

Jesus, The king of kings!

Dear Parents/Carers and Students,

HAPPY, SAFE HALLOWEEN/BONFIRE NIGHT – REMINDER FROM WEST MIDLANDS POLICE

With the darker nights fast approaching, it is important that students are reminded what we, as a school community, expect of them in terms of behaviour.

Parents/carers and students should already be aware that as part of our safeguarding arrangements, the school has a two-way information sharing agreement in place with West Midlands Police, and we are active members of the local Police & Schools Panel. This joint approach helps us to intervene early to prevent and reduce crime and anti-social behaviour involving our students and provide support and up-to-date safety messages.

In partnership with the police, we would also like to remind our students about the following: -

- **Anti-social behaviour:** Halloween can be a scary time for people who don't like surprises or callers at their door. Think about how your actions and behaviour affect others; elderly and vulnerable people may be frightened by 'trick or treat' so look out for signs in windows that people do not want callers at their door.
- **Personal Safety:**
 - Be aware of your surroundings, take care of friends and family members and keep valuables such as phones out of public view whenever possible.
 - Don't drink alcohol, take illegal drugs or unknown substances; they can have a big impact on your health and safety, behaviour, and your ability to do well at school and enjoy other interests and activities. They can also be addictive and have unpredictable side effects, including sudden death! Information is available at www.talktofrank.com
- **Social Media:** Don't allow your use of social media to put you at risk of grooming, exploitation, or regret in future. Use social media positively and avoid being negative about anyone online as comments/actions may be traced back to you and you will be held accountable.
- **Weapons in public places:** Carrying a knife or other weapon will get you a criminal record which can have life-long effects on travel and job prospects. Those who carry knives are also much more likely to be injured by them. Don't take BB Guns, Gel Blasters/Guns, or any other real looking toy guns into public spaces as these can cause alarm to the public - which could receive a Police Firearms response.
- **Off-road bikes:** These can only be ridden on private land with the landowner's permission. Don't risk your life and future prospects by illegally riding these on the road.
- **E-Scooters:** In the UK, you must be at least 18 years old and hold a provisional or full driving licence to ride a hire e-scooter. A privately owned e-scooter can only be used in a private place with the landowner's permission; they are illegal to use on a road or in a public place.
- **Remember the company you keep:** If your friend breaks the law, you may also be held responsible for that crime – even if you weren't the one directly responsible.

Yours faithfully,

K Marston

Dear Parents and Carers

Measles (MMR) Vaccine Reminder

As half term approaches, this is an ideal time to get up to date with the measles (MMR) vaccination. There has been a recent rise in measles cases across the country. Birmingham and Solihull have low MMR vaccination rates and there is a risk of a measles outbreak this winter.

Measles is a highly infectious disease, which can be very serious. The MMR vaccination is recommended to help protect you, your child and loved ones against measles. Two doses of the MMR vaccine are needed to get the best protection. The vaccination is free of charge.

Anyone unvaccinated who is exposed to someone with measles may be advised to isolate for 3 weeks. This would disrupt their learning or work, and this could happen repeatedly. If exposure happened again, another 3 week isolation period would be required each time.

Children and adults can catch up on any missed vaccinations by contacting their GP practice. Children should have the first dose at 1 year old and the second dose at 3 years and 4 months old. Two doses of the MMR can provide life-long immunity.

Vaccination will also help prevent the spread of measles. The MMR vaccination also protects against mumps and rubella.

Please contact your GP to book an appointment for Measles (MMR) vaccination.

Yours sincerely,

Dr Mary Orhewere FFPH
Assistant Director, Environmental Public Health, Health Protection & Place
Birmingham City Council
