Weekly Information Bulletin

Date: Friday 19 April 2024

Catholic Life - This year we are focusing on 'Year of Live Simply'.
Termly Theme: Care for Creation
Termly SJW Values – Curious and Active

This week in weekly worship... *"We focused on **Care for Creation**. This is our Catholic Social Teaching for this term. We listened to a reading from Genesis that told us about how we should **care** for the environment. We can do this through walking more and spending more time outside. We should try not to use cars as much to help with pollution levels. Doing all of this will help us to **live sustainably with creation**".*

By Shamelia McLean 9BAK - Liturgy Team

This week in Afternoon Prayer... *"We prayed the Our Father as part of the Year of Prayer. We listened to the Our Father in Ukrainian. It was nice to hear the prayer in another language as this promotes equality. We also prayed for **Care for Creation** which helped us to understand that we shouldn't destroy the earth around us but should **care** for it. The reflection questions at the end of Afternoon Prayer allows us to think more about what we have prayed for".*

Class Mass

"On Thursday, we went to Mass as a class. This was a very calming experience. I liked the conversation we had with Fr Subba. Fr Subba spoke about the importance of always focusing on the right things in life. He told us that we should always be happy and always smile, so we can express to others how we are as individuals".

Visit to St Mary's Coffee Club

Today has been the first session of Pilates at coffee club which has been a great success with pupils commenting on how much their legs were aching. Some guests were very grateful for the extra help getting to and from their tables. Next week is a 'bring and buy sale', raising money for education and resources for bread making in developing countries. Any unwanted gifts, toiletries and household items would be gratefully received.
