**Catholic Life - This year we are focusing on 'Year of Live Simply'.
Termly Theme: The Common Good - Live in Solidarity
Termly SJW Values – Compassionate and Loving**

This week in Afternoon Prayer... "We prayed for all World Leaders. We prayed for Peace for all the leaders around the world. We also looked at Education Sunday and thought about all the different ways that we learn in life. We then prayed for the Exaltation of the Holy Cross. As part of this prayer, we prayed the Our Father and reflected on the importance of the Sign of the Cross. This is something that we do everyday here at Saint John Wall. Finally, we prayed for creation. We thought about why it is important to Care for Creation and the different ways we can do this. One way that we can care for the environment in school is by picking up litter.

This week in our Weekly Worship... "We were introduced to our themes of the Common Good and Living in Solidarity. We were also introduced to our new values of being Compassionate and Loving. We reflected on what the Common Good is and how we can carry it out as a school community. We listened to a reading from Paul's first letter to the Corinthians and reflected on how even though we are all unique, God is at work in us. We looked at different examples of people in society who are working for the Common Good. This allowed us to reflect on how we can show the Common Good in school. Examples of this include being a good role model and picking up litter.

Results Day August 2023

It was wonderful to see our Year 11 pupils return to school in August to collect their examination results. The school hall was full of anticipation, a few nervous faces and lots of joy when the pupils opened their envelopes. I am happy to reveal pupils achieved a great set of results which we will publish once they are validated. We would like to wish Leavers 2023 the very best of luck as they continue their journey into further education.

Staff Liturgy

On Monday 4 September we welcomed our staff back to Saint John Wall with a special Liturgy, focusing on 'Live Simply.' Staff heard scripture from 1 Corinthians 12:12-26, and reflected on the words of St. Paul when he said 'Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ. For we were all baptised by one Spirit so as to form one body—whether Jews or Gentiles, slave or free—and we were all given the one Spirit to drink.'

Each staff member was then encouraged to reflect on the words of Pope Francis (2013) on solidarity 'Encountering and welcoming everyone, solidarity- a word that is being hidden by this culture, as if it were a bad word- solidarity and fraternity: these are what make our society truly human.' Each staff member then brought forward an example of solidarity that they have witnessed, either at home, in school, in the wider community or around the world.

Here are some of the examples given:

- Those supporting or sheltering refugees.
- Lenten Walk to support CAFOD in school.
- Welcoming one another in the right spirit, helping one another.
- Donating to food banks. Support for the Women's World Cup.

What acts of solidarity have you witnessed in your local community?

Operation Encompass Letter to Parents

Dear Parent/Carer,

I am writing to inform you that our school continues to participate in a joint operation involving Birmingham Children's Trust, Birmingham City Council, and West Midlands Police. It is called **Operation Encompass**.

Operation Encompass has been established to help schools provide in-school support to children who have been present at, exposed to or involved in any domestic abuse incident.

We know that children can be significantly harmed, physically and/or emotionally, during these situations, and that it also negatively affects their learning and behaviour in class.

Therefore, as part of the Operation Encompass procedure, and to help mitigate the resulting negative impact, the school will now receive a confidential phone call or email from West Midlands Police before 9.00am the morning after a child or young person has been witness to, or involved in, any reported domestic abuse incident.

We have a dedicated and child-focussed Safeguarding Team. They are specially trained to effectively use the information the Police share, in confidence, and enable the school to provide the right support to any child and their family.

We always endeavour to offer the best support possible to our pupils and believe this will be extremely beneficial for all those involved.

More information can be found at <https://www.operationencompass.org/>

However, if you have any concerns or questions regarding Operation Encompass, please don't hesitate to contact me, and I will be happy to discuss them with you.

Yours faithfully

K Marston
