**Termly SJW Values:**

**Building Bridges, Breaking Barriers**  
**Dignity**  
**Loving and Compassionate**

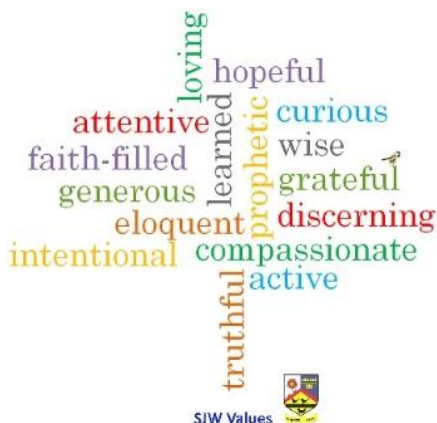

### This week in Celebration of the Word...

"We focused on Fairtrade Fortnight. We listened to a piece of scripture that reminded us that the small things in life are important. It reminded us to be true to who we are and to always think about our actions. Fairtrade helps farmers get better working conditions and fairer prices. Fairtrade isn't just about products; it is about **dignity** and **care**. We should always **care** for others and show fairness."

### This week in Afternoon Prayer...

"We prayed for International Day of **Peace**. We thought about how we can act now for a **peaceful** world. We also prayed for Little Way Week and reflected on the little things that we can do with great **love**. For example, smiling or holding the door open for teachers. We also prayed for our Macmillan Coffee Morning, holding our cake sale on the playground to support people living with cancer."

## Parent Pay

Please be aware that there is a fraudulent app in the Apple App Store that mimics ParentPay branding. Please do not download this app.

The genuine Parent Pay app can only be downloaded from the official Parent Pay website.

## Parking Outside School

We encourage pupils to walk, cycle, or take the bus to school whenever possible. It's a great way to promote independence and reduce traffic around the school. For those who cycle, we have secure bike parking available on site.

The **101 bus** conveniently stops right outside the school gates.

If you're dropping off or picking up your child by car, please take extra care around the school entrance.

To help keep everyone safe, we kindly ask that you:

- Park on a nearby side road and let your child walk to meet you, away from the busy entrance.
- Avoid parking on pavements or blocking driveways.
- Observe all road signs and school bollards.
- Be mindful of children crossing between parked cars and buses.

Thank you for helping us keep the school environment safe and welcoming for all our pupils. By Mr Holder

## Open Evening

On Tuesday, we proudly hosted our annual Open Evening, welcoming parents of Year 6 pupils to explore our school. Each department showcased an impressive array of pupils' work and offered engaging activities for families to enjoy together. A heartfelt thank you to all staff and pupils who generously gave their time and energy, staying until 6pm to guide our visitors and share the spirit of our school.

## Catholic Life

### Becoming a Priest

I was delighted to join Tim, our Jesuit Novice, at his Vow ceremony on Saturday 6 September. This was a very special occasion where Tim, and three other Novices, professed their vows to serve God and to enter the Society of Jesus. This includes the vows of poverty, chastity and obedience in the Society of Jesus. Tim has spent the last year in service, studying at Manresa House, home of the Jesuits in Britain. Part of Tim's journey towards Priesthood has included volunteering at Saint John Wall and many pupils have got to know him during lessons, lunchtimes and sporting activities. We all send Tim our prayers and best wishes as he undertakes this important role.

We have two new Novices volunteering this year, Martin and Joseph are pleased to be able to continue this partnership with the Jesuits.

### Visit to St Mary's Coffee Club

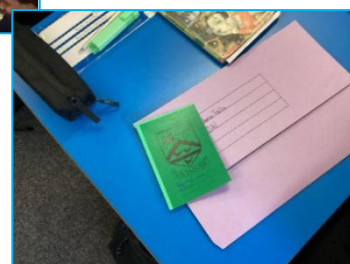

Pupils have been helping out at a Macmillan Coffee Morning encouraging guests to name a teddy bear and guess how many sweets were in a jar. There were plenty of tea and coffee cups to collect and wash but pupils did have time for a slice of cake for their hard work. Next week is a darts competition.

### Year 7 Welcome Mass

Since returning in September, pupils in Year 7 have been preparing for their Welcome Mass in October. Pupils have been thinking about all the different words that describe God and how God is seen as being a shield in the Bible. They have then reflected on our own school shield and the life of Saint John Wall, thinking about how they can use their gifts and talents as they journey through school with us. Each pupil has written **"each and every unique child"** (some in their home language) on a printout of our school shield, and these will be carried to the altar during their Welcome Mass – their official welcome into our St John Wall family.

## Open Evening

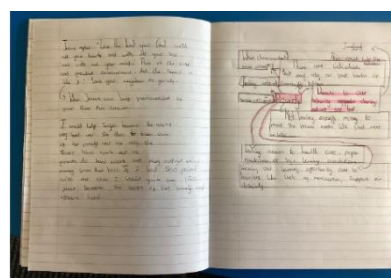

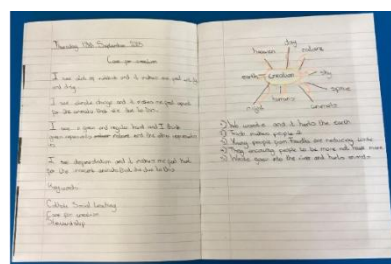

This week, we had our school Open Evening. It was lovely to welcome families into the Chapel which showcased a range of different activities that are on offer during break and lunch times, as well as a display of work from pupils in our Chaplaincy teams and lifestyle lessons. This evening also allowed families to experience the prayerful quietness of the Chapel that pupils experience when they visit during form, lesson time or for a service. Thank you to Mrs Ellis for her support throughout open evening.

## Lifestyle – Catholic Social Teaching

I have been very impressed with the hard work of the Year 7 and Year 8 pupils in my Lifestyle classes this term. So far this term, pupils have had an introduction and a recap of Catholic Social Teaching and also a specific focus on **Care for Creation** and **Option for the Poor**.

Pupils began the year by completing a sort-card activity looking at the 7 Catholic Social Teachings and have also completed posters on the importance of taking action to look after the earth. Well done to you all!

## Fairtrade Fortnight

This year, Fairtrade Fortnight is happening from September 22 to October 5. Fairtrade Fortnight is a powerful reminder that our everyday choices can make a global impact. Fairtrade supports farmers and workers in developing countries in many different ways. Fairtrade ensures fair wages, safe conditions and sustainable practises. Together we can build a fairer world.

### Here are 5 top tips to support fairtrade:

1. **Look for the logo:** when shopping, check for the Fairtrade mark on products like chocolate, tea and coffee.
2. **Swap one item:** try to replace a regular product with a Fairtrade alternative. Every small change counts.
3. **Spread the word:** talk to your friends and family about why Fairtrade matters! Awareness can lead to action.
4. **Get creative:** design some Fairtrade posters to raise awareness.
5. **Support local shops:** many local shops stock Fairtrade good. This supports both Fairtrade and local businesses.

| Catholic Social Teaching           | Meaning  | Example   |
|------------------------------------|--|---|
| <b>Solidarity</b>                  | We are one human family                        | Standing up for those around you                          |
| <b>Human Dignity</b>               | Every person is made in God's image.           | Respecting others, not bullying.                          |
| <b>Option for the Poor</b>         | Care for those most in need                    | Donating to charity, noticing those who may be left out   |
| <b>Care for Creation</b>           | We need to protect the earth                   | Recycling, litter picking, reducing waste                 |
| <b>Dignity of Work</b>             | Work is valuable and should be fair            | Respecting all those who have jobs in our community       |
| <b>Rights and Responsibilities</b> | Everyone has rights and duties.                | We all have a right to attend school and a duty to learn. |
| <b>Community and Participation</b> | We belong to society and should help shape it. | Joining any school clubs, helping others.                 |

## European Day of Languages at SJW

The European Day of Languages is celebrated every year on the 26th September. It was first launched in 2001 by the Council of Europe (this year is the 25th anniversary), which includes over 45 countries. The main goal is to celebrate the rich variety of languages spoken across Europe - not just official languages, but regional and minority languages too. Across Europe, schools, cultural centres, and communities take part with language games, performances, workshops, and displays of linguistic diversity.

Saint John Wall is a multicultural school. There are currently approximately fifty-eight community languages spoken in school. We celebrated the European Day of Languages with a quiz in lessons and with the international Macmillan Coffee morning.

It was great to taste so many cakes from lots of different cultures.

### Year 11

Year 11 afterschool revision will begin on Monday 29 September. This takes place everyday (apart from Fridays) until 4.15pm. These revision sessions are compulsory for all pupils in Year 11 to support their learning. If pupils are unable to attend a revision session, they should see Miss Reynolds in advance of the day with medical or sixth form/college evening evidence.

### Year 10

Welcome back to Year 10! This year promises to be busy, challenging, and full of exciting opportunities—so grab every one of them and make it count.

As you know, Exam week starts next week, so now is the time to get prepared, stay focused, and give your absolute best effort. A quick reminder about uniform expectations: skirts at the correct length, shirts tucked in, blazers on, and black shoes every day. As we head into exam season, don't forget the importance of being fully equipped and some top tips for exams: make sure you get a good night's sleep, eat a proper breakfast, and avoid last-minute cramming so you can stay calm and focused. Let's start the term strong and set the tone for a fantastic year ahead!

## Head of Year News

### Year 9

We're thrilled to welcome our Year 9 pupils back after the summer holidays. We hope you've had a chance to rest, recharge, and are now ready to embrace the opportunities of the new academic year.

As we begin this important stage in your school journey, we want to emphasise the importance of **excellent attendance and positive behaviour**. Being in school every day, on time, and ready to learn is the foundation for success. We expect all pupils to show respect and kindness around the school and on the playground, helping to create a safe and supportive environment for everyone.

This year, we're focusing on how we can **build bridges and break barriers**—whether that's overcoming challenges, supporting one another, or striving to reach personal goals. Every pupil has the potential to succeed, and together we can create a culture where everyone feels empowered to do their best.

A key part of this is showing **respect for each other's personal space and boundaries**. We want all pupils to feel safe, valued, and comfortable in school. Treating one another with dignity and understanding helps us build a community where everyone can flourish.

Please remember to come to school in **full school uniform**, including your **school bag and all necessary equipment**. Being prepared shows pride in yourself and your learning, and helps set the tone for a productive day.

Let's make this term one of growth, achievement, and unity. Welcome back, Year 9—we're excited to see what you'll accomplish!

### Year 8

It has been a real privilege to welcome Year 8 back for the start of a new academic year. I am excited to see how Year 8 will continue to grow, both academically and personally, as they build on the foundations laid last year.

Consistently good attendance ensures that no learning is missed and that every pupil remains fully engaged with their lessons. Equally, positive behaviour allows us to create a safe and supportive environment where everyone can thrive. Together, these two elements are the cornerstones of progress and achievement.

Year 8 is also about developing character, resilience, and ambition. It is a time to take on new challenges, to set high standards, and to push through difficulties with determination. I encourage our pupils to approach this year with positivity and commitment, knowing that their actions today will shape the opportunities of tomorrow.

As we move forward, I want Year 8 to remember this guiding principle:

***"Build bridges, not walls; break barriers, not spirits."***

By working together, supporting each other, and celebrating each other, we can achieve far more than we ever could alone.

I look forward to seeing the many successes and achievements that this academic year will bring, and I know that with dedication and support, Year 8 will shine.
