## A Catholic School For All

### Mission Statement

'To educate each and every unique child in our care to hear and respond to what God calls them to be'

Issue 32

Weekly Information Bulletin

Date: Friday 22 May 2026

**Catholic Life Annual Theme:**  
**Termly Catholic Social Teaching:**  
**Termly SJW Values:**

**Building Bridges, Breaking Barriers**  
**The Common Good**  
**Generous and Grateful**

### This week in Celebration of the Word...

"We focused on Pentecost. Pentecost is celebrated 50 days after Easter and celebrates the Holy Spirit descending upon the disciples. The disciples were able to spread the word of God in many different languages. I like Celebration of the Word because we always leave with a quote that inspires us for that week."

By Nazakat Hussain 7ANT

### This week in Afternoon Prayer...

"We prayed for the Archdiocese Pilgrimage to Lourdes. As part of this prayer, we reflected on those who travel to look after individuals who are sick. We also thought about what pilgrimage looks like in different religions. We also prayed the Hail Mary during this special month of May. We will be making our own school rosary with our prayers and intentions. I like Afternoon Prayer because we get to reflect on different themes each day."

By Ethan Akpenwe 7ANT

### Class Mass

"This week, we went to Mass as a class. It was an amazing opportunity to take a moment of **peace** and calmness. The atmosphere was serene. At the end of Mass, Fr George gave us an opportunity to ask questions which was nice. Overall, it was a wonderful experience."

By Meera Badhan 8RES

### Important Dates to Note

- **Half Term**  
**Monday 25 May 2026 to Friday 29 May 2026**
- **University College Birmingham - College of Food – 11 Year 10 Pupils**  
**Wednesday 3 June 2026 – 9.00am to 3.00pm**
- **University of Birmingham - Arts and Humanities Big Quiz 12 Year 9 Pupils**  
**Monday 8 June 2026 – 8.50am to 3.10pm**

### May Half Term Revision

May Half Term Revision			
	Wednesday 27 May 2026	Thursday 28 May 2026	Friday 29 May 2026
9.30am- 12.00pm	Maths	Science	History Geography
12.30pm- 3.00pm	GCSE PE Year 10 Statistics	Catering	

Pupils have received letters inviting them to revision during the May half-term break. It is essential pupils are punctual and arrive to school at least 10 minutes before the start time. Pupils will not need to wear school uniform but must wear appropriate clothing. The school canteen will be closed, and pupils will not be permitted to leave site. This means that pupils will need to bring their own food and drinks if required. **By Miss Lally**

## Message from Head of School

Well done to Year 11 for completing the first two weeks of examinations. It is pleasing to see their hard work paying off. Can all Year 11 parents and carers please ensure that pupils attend all revision sessions over the half term and, just as importantly, take time to rest and recharge. Thank you to the staff for their ongoing support and dedication to Year 11.

A reminder that the normal Sparx and Bedrock deadlines will remain in place over half term and are reflected in the table below:

<b>Bedrock</b>	<b>Sparx</b>
<b>Year 7–9 – this must be completed by 31st May 2026</b>	<b>Year 7–10 – this must be completed by 5pm on 3rd June 2026</b>

With the next half term comes the return of the summer school uniform. This means that pupils will be able to wear their PE polo shirt; however, they must still wear their school blazer. This is not the only thing that next half term will bring:

- Form representatives are being introduced in each year group. There will be two in each form group, chosen by form tutors and Heads of Year. This role will rotate throughout the academic year and will provide pupils with a valuable opportunity to develop their leadership skills and service to the school community
- We will be celebrating the upcoming football World Cup and using it as a vehicle to improve our knowledge of countries around the world — their history, flags, traditions, culture, cuisine and much more
- Also, a couple of surprises.....

By Mr Holder

## Revision - Exam Breakfast and After School

During the examination period, Year 11s will be provided with exam breakfast and after school revision support in subjects from 8am each day and after school. We will be providing breakfast to pupils, please see the table below for the subjects taking place each day next week.

	1st June 2026	2nd June 2026	3rd June 2026	4th June 2026	5th June 2026

## Catholic Life

### Lifestyle – TenTen

This month in Lifestyle, Year 7 and Year 8 pupils have been working through TenTen's Life to the Full programme. This programme is a Catholic Relationships and Health Education curriculum designed to help children and young people understand themselves, their bodies, relationships and emotional wellbeing through a Christian lens. It is built on the principle that every person is created, chosen and loved by God.

Year 7's have explored who they are, how to live a healthy life and how to live responsibly in the digital world. Year 8's have explored how they are created and chosen, looked at life before birth and the importance of friendships.

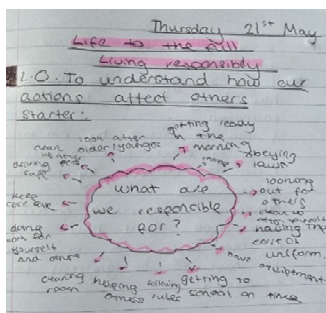

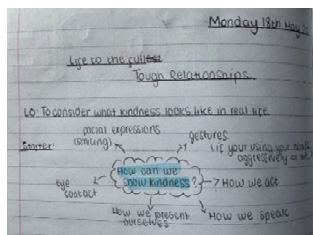

Well done to all pupils who have been **curious and active** this month when working through the TenTen programme!

The display board and the wall around it continues to be full of all the lovely work that the children have been producing over the past few months. It is lovely to see them each week and to be greeted with lots of smiling faces. As always, thank you to Mrs Breslin and all her staff for their continued support!

### May Chapel Reflection

Throughout May, some of our Lifestyle classes have visited the Chapel to take part in a May reflection, focused on Mary. Pupils reflected on the importance of the month in the Church and heard about the pilgrimage site, Lourdes. Pupils also reflected on those in the world who are sick and added their own prayers and petitions to our May Altar. This small reflection gave pupils a chance to pause and offer intentions in honour of Mary. Thank you to all pupils for being so reverent during this time.

### Class Mass

We have continued our weekly class visits to St Augustine's Catholic Church to celebrate Mass with Fr George each Tuesday morning. We are extremely **grateful** to Fr George who has stayed behind after Mass to answer any questions that our pupils have to do with what they have experienced during Mass or to do with what they can see in the Church. Thank you for making us feel so welcome each week and for taking time out to talk to our pupils. Thank you also to the parishioners for your warm welcome each week!

### St Patrick and St Edmund's

This month, I have continued to work with Year 1 and Year 2 pupils at St Patrick and St Edmund's Primary School. Last week, we focused on the Ascension, and this week, we explored Pentecost. Our work on the Ascension focused on all the things that make us happy. Even though the disciples could have been sad at the fact that Jesus was returning back to Heaven, we focused on the idea that they were happy because Jesus had promised that he would always be with them through the Holy Spirit. The children then coloured in smiley faces and wrote down what makes them happy.

## Live Simply Award

### St John Wall Catholic School achieves the LiveSimply award

Pupils and staff from St John Wall Catholic School have achieved the LiveSimply award confirming that they are living simply, sustainably and in solidarity with communities around the world experiencing poverty.

The award, championed by the international aid charity CAFOD, was presented to the Catholic school after they successfully planned and implemented faith inspired actions that highlighted the importance of caring for people and the planet. Their actions have had a positive impact throughout the school, in their local community, and globally too, as they reached out to make a difference.

All staff and pupils have recently made a Live Simply pledge, showing their commitment to living simply, sustainably and in solidarity with the world's poorest communities. Highlights over the past few years include:

- Visits to the local allotment to understand the importance of living sustainably through growing different fruits and vegetables
- Community engagement litter picks with Friends of Friary and Larch Avenue
- Our whole school CAFOD Big Lent Walk campaigns
- Work with local charities like SIFA Fireside and Stories of Hope and Home

David Kadzik, a Year 10 pupil, commented on why he took part in the LiveSimply award. "I felt a bit nervous during the interview for the LiveSimply award because it was a really special occasion. After I heard that we had achieved the award, I was very proud of myself for doing something good for the school. I think that other schools should participate not only for the award but because it can help to build a simple and

friendly environment for the school. It can also make the pupils and school feel good about themselves."

Mr Holder, Head of School, commented: "The LiveSimply Award is a wonderful achievement for our school community. It recognises our commitment to caring for others, supporting those in need and being thoughtful stewards of the world around us. I would like to thank everyone who has contributed to this journey."

CAFOD's LiveSimply Coordinator for Schools, Siobhan Farnell, said:

"Congratulations to the pupils and staff on achieving the LiveSimply award. Their actions are wonderful examples of caring for others and our common home and we wish them well as they continue to live simply, sustainably and in solidarity with communities around the world experiencing poverty."

Please see below some examples of St John Wall pupils during our LiveSimply journey!

### Rosary Bead Activity

During the month of May, Catholics around the world honour Mary, the Mother of Jesus, in a special way. This year, as a school community, we're creating something memorable together - our very own giant school rosary. This week, each form from Y7-Y10 received a circle, which will become one of the "beads" in our rosary. Each form will make their own unique bead, including form members names, decorations, prayers and intention. All of the individual beads will then come together to create our whole school rosary, united in prayer, creativity, and community. Well done to those forms that have already made a great start!

### Chapel Activities

Throughout the month of May, there were some May inspired activities in the Chapel based on Mary. This was an opportunity for pupils to reflect on moments of light and purpose in their own lives. This is because May is traditionally a month of **hope**, new beginnings and courage.

**Chapel Activities**

May is traditionally dedicated to Mary – a month of hope, new beginnings and courage.

As we reflect on this month, we reflect on moments of light and purpose in our own lives.

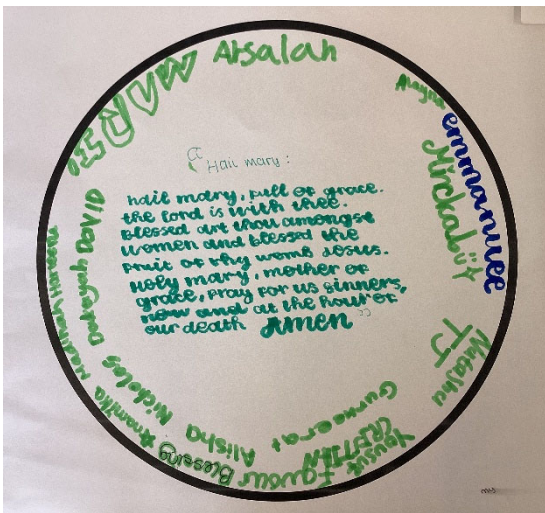

Join us in the Chapel at lunch times this week to take part in activities inspired by Mary's journey.

If you enjoy crafts, please come along and join in this week! Open to all pupils!

## Head of Year News

### Year 7

As we approach the holiday break, we would like to encourage all families to continue supporting pupils both academically and personally. Year 7 is an important stage in helping children develop positive habits, independence and resilience — both online and in their learning.

#### Social Media Awareness

Social media can be a positive way for young people to stay connected with friends, share interests and express themselves. However, it is also important that pupils learn how to use these platforms safely and responsibly.

At secondary school age, pupils are becoming more independent online, but they still need regular guidance and support from trusted adults. Open conversations at home can make a significant difference in helping children stay safe and make sensible choices.

#### Tips for Parents:

##### Know the apps your child is using

Many platforms have age restrictions of 13+, and it is important to check whether apps are suitable and monitored appropriately.

##### Encourage open conversations

Ask your child about who they talk to online, what they enjoy watching and how social media makes them feel.

##### Discuss digital footprints

Remind pupils that comments, photos and videos shared online can remain there permanently.

##### Set healthy boundaries

Consider screen-free times during the day, especially before bedtime, to support wellbeing and good sleep routines.

##### Use privacy and parental controls

Review account settings together and ensure profiles are private where appropriate.

##### Promote kindness online

As a Catholic school community, we encourage pupils to treat others online with the same dignity, compassion and respect they would show in person.

If your child experiences anything upsetting online, encourage them to speak to a trusted adult straight away.

#### Keeping Up with Revision Over the Holidays

The holidays are also an excellent opportunity for pupils to maintain good study habits and build confidence ahead of the next term. Short, regular revision sessions are far more effective than long periods of last-minute work.

#### We encourage Year 7 pupils to:

- Read each day where possible
- Practise key spellings, numeracy skills and subject vocabulary
- Complete any set homework or revision tasks
- Use revision guides, quizzes or flashcards to reinforce learning

#### How Parents Can Help

Encourage a simple daily routine that includes a short period of study

Provide a quiet space for revision where possible

Praise effort and consistency rather than perfection

Help pupils organise their time so there is a healthy balance between rest, family time and learning

Even 20–30 minutes of focused revision each day can make a real difference in helping pupils return to school feeling confident and prepared.

Thank you, as always, for your continued support and partnership. We wish all of our families a restful, safe and enjoyable holiday.

By Mrs Ellis

## Head of Year News

### Year 8

As we come to the end of May and approach the one-week half-term break, we would like to reflect on the progress Year 8 has made and outline our expectations heading into the final half term of the year.

#### Behaviour and Attitudes

This month, many Year 8 pupils have continued to demonstrate positive behaviour and a mature attitude to school life. We are pleased to see examples of respect, responsibility, and pupils supporting one another both in lessons and around the school. That said, it remains vital that all pupils maintain high expectations at all times. Consistency is key - making the right choices, following instructions promptly, and showing respect to staff and peers should be the standard every day.

#### Attendance and Punctuality

As we move closer to the end of the academic year, attendance becomes even more important. Every lesson missed is lost learning that cannot be replaced. We strongly encourage all pupils to aim for excellent attendance and arrive on time each day, ready to learn. Thank you to those pupils who have maintained high attendance - your commitment is making a real difference to your progress.

#### Uniform Standards

We continue to expect all pupils to meet our uniform standards every day. Several pupils consistently demonstrate pride in their appearance, and this sets a positive example for others. Please ensure all uniform is correct, worn appropriately, and in line with school expectations. We will continue to monitor this closely after half-term.

#### Focus on Learning

There has been some strong work produced across subjects this month, and it is clear many pupils are focused and engaged in their learning. As we return after half-term, it is important that this focus continues. Pupils should come to every lesson fully prepared, equipped, and ready to give their best effort. The final half-term provides an important opportunity to build on progress and finish the year positively.

#### Looking Ahead

We expect full cooperation from all pupils as we move into the final part of the academic year. By working together, maintaining high standards, and staying committed to learning, we can ensure Year 8 continues to succeed.

We hope all pupils have a safe and restful half-term break and return ready for a strong finish to the academic year.

By Mr Hussain

### Year 9

As we approach the final half-term of the academic year, this is a crucial time for all Year 9 pupils to reflect on their progress and ensure they finish the year strongly. We would like to remind all pupils that their behaviour both inside and outside of school is extremely important. Every pupil represents our school community wherever they go, and we expect them to demonstrate respect, kindness and responsibility always.

Positive behaviour creates a safe and supportive environment where everyone can learn and succeed. Poor choices, however, can impact not only individual progress but also the wider school community. We encourage all pupils to continue making positive decisions and to take pride in representing the school well.

Attendance and punctuality remain key factors in achieving success. Pupils who attend regularly and arrive on time are far more likely to achieve their full potential.

- Every lesson counts
- Missed learning is difficult to catch up on
- Being on time ensures pupils are settled and ready to learn from the very start

We ask for your continued support in ensuring pupils attend school every day and arrive promptly each morning. It is essential that pupils come to school fully prepared each day with the correct equipment and a positive attitude to learning. This includes their full equipment, uniform as well as a school bag. Being organised helps pupils to focus, engage fully in lessons and make strong academic progress.

As we head into the final half-term, we will be closely monitoring behaviour, attendance and punctuality. This is to ensure that all pupils are meeting expectations and are in the best possible position to succeed.

Please be aware that eligibility for end of term rewards and trips will be based on:

- Consistent positive behaviour
- Strong attendance
- Good punctuality

We want every pupil to be able to take part in these opportunities, and we will be supporting them to achieve this.

**“Success is the sum of small efforts, repeated every day.”** Thank you for your continued support. **By Mrs Chand**

## Head of Year News

### Year 10

It has been a very positive start to the term, with many pupils completing their recent Work Experience placements either in school or with a local employer. We have received some fantastic feedback from employers, who praised Year 10 for their professionalism, punctuality and positive attitudes. It was great to see so many of our young people representing the school so well in the workplace.

Looking ahead, Assessment Week 3 is fast approaching. Pupils should ensure they are preparing effectively, making full use of the exam homework that is currently set. Meeting deadlines is essential, and maintaining consistent effort is key to success. Please be reminded that where a pupil receives three or more negatives in a week, this will result in a one-hour detention.

Finally, we would like to remind all pupils and families about the importance of correct uniform and equipment. Please take time during half term to check that skirt lengths are appropriate, school shoes meet expectations, and that all pupils are arriving fully equipped for learning each day.

Thank you for your continued support in helping maintain high standards across the year group.

By Miss Cummings

### Year 11

Year 11, you are now **two full weeks into your GCSE examinations**, and I wanted to take a moment to recognise the determination, resilience, and maturity you have shown so far. Every exam completed is another step closer to the finish line, and I could not be prouder of the way you are approaching this important period. Continue to **#RiseUp** and give your best effort each day.

#### A Huge Achievement to Celebrate

I would also like to celebrate something truly fantastic — Year 11 has achieved **100% attendance across all GCSE examinations so far**. This is an incredible achievement and reflects the commitment and determination shown by the entire year group. You should all be very proud of yourselves.

#### Key Reminders

- Pupils are **expected to attend school every day**, even if they do not have an exam scheduled. School remains open for lessons, revision opportunities and support.
- Continue attending **half-term revision sessions**, unless you are on approved study leave. Every session is another opportunity to improve and prepare.
- Ensure you are checking the **Week Ahead PowerPoint** sent out regularly for updates, exam information and revision opportunities.
- If you are running late for an exam or unable to attend school, please **call the school directly** rather than emailing.

Remember — **revision is temporary, results are forever!**

#### Looking After Yourself

As we move into half term, we hope you enjoy some of the **warmer weather** and take time to rest and recharge after a busy few weeks. Balance is important — get enough sleep, spend time with family and friends, and look after your wellbeing.

However, while enjoying the break, keep maintaining momentum with revision and attending any planned sessions. Rest is important, but so is staying focused for the exams still ahead. Year 11, the finish line is getting closer. Keep believing in yourselves, support one another, and continue to **#RiseUp** right through to the end. **By Miss Reynolds**
